# In the BEGINNING

The beginning of time. WE hear G-D speaking.

1

G-D

Let there be light. I shalt call the light day  
and the darkness night. Let there be waters,  
and let the land produce living creatures  
according to their kind; livestock, creatures  
that move along the ground, and wild  
animals, each according to it's kind.

WE see many animals in the Garden of Eden.

2

G-D

And it is good. Let us make man in our  
image, in our likeness, and let them rule  
over the fish of the sea and the birds of the  
air, over the livestock, over all the earth, and  
over all the creatures that move along the  
ground. From the dust I shalt breathe into it  
the breath of life and make thee in the image  
of thy G-d my son, and I shalt calleth thee  
Adam, meaning, Adam of the red earth and  
from thy rib I shalt maketh thee a wife and I  
shalt calleth her Eve, meaning mother of all  
living. And on the seventh day, the Sabbath  
which is a holy day, I rested and all my  
children shalt also rest on this holiest of  
days.

Thunder and lightning. EVE holding hands with ADAM goes to the *Tree of Knowledge*, and as she is about to pick an apple, WE hear G-D speak.)

3

G-D

'O Adam, dwell thou and thy wife in  
paradise and eat therefore amply as thou  
wish, but do not draw near this tree of  
knowledge in the center of my garden or ye  
will transgress.

There is thunder and lightning and G-D is gone.

4

EVE

I don't understand it, Adam. He gives us everything, including all this beautiful fruit.

(Goes to take apple.)

I mean look at this apple, doesn't it look delicious? Why does He show us something we can't have?

ADAM

Do not take, nor eat it Eve, for you just heard the Lord forbid us from eating from His tree of knowledge.

EVE

Sure, only He eats from His tree of knowledge, because He doesn't want me to be as smart as Him, and do you think He really means it? It's fruit, delicious fruit and why would He put it here if He doesn't want us to eat it? It doesn't make any sense, does it?

ADAM

Lead neither me, nor you unto temptation, Eve. The Lord has spoken, and I will pray to Him and beg His forgiveness for our shortcomings in questioning His Divine wisdom. I, shall return shortly to seek a fruit offering, and remember, you must not

(Exits.)

eat from His tree.

EVE

Sometimes, I just don't understand Adam or the Lord.

A SNAKE appears.

SNAKE

Hello there, gorgeous.

EVE

Who, who are you, and my name is not gorgeous, it is Eve.

SNAKE

Hello Eve, and do you really think that G-d said, "You must not eat from any tree in the garden?" How ridiculous. I'm sure he was only teasing you. Come on, take a bite.

EVE

He said, "We may eat fruit from the garden, but not from the tree in the middle of the garden, the Tree of Knowledge or we will surely die."

SNAKE

I promise you will not surely die, for G-d knows that when you eat of it, your eyes will be opened, and you will become as smart as G-d, knowing good from evil.

EVE

Oh thank you kind snake for opening my eyes, for the fruit of this tree is more  
(Picks and eats apple and savors it.)  
desirable than all the rest.

SNAKE

Go ahead, just don't look at it, eat it, eat it, it's delicious. Tell me how delicious it is.

EVE

(Eats apple.)  
Mmmm, not only is it delicious it's scrumptious, and I will surely give some to Adam when he returns. Oh, thank you kind Snake, thank you.

SNAKE

Enjoy it while you can sweetheart and give  
(Exiting he laughs.)  
Adam my regards and an apple too.

ADAM returns and EVE picks an apple from the tree and gives it to ADAM and THEY both 🎵 sing.

FORBIDDEN FRUIT

EVE

I must eat His forbidden fruit.  
And wait till I hear His repute.  
Why must He be so resolute?      Speak  
I'll tell Him it was a great fruit... Grapefruit.

ADAM

To me the Lord is the last word.  
He is the reason I am spurred.  
Not to obey Him is absurd.  
And Eve makes me feel like a nerd.

ADAM

He is the creator,

EVE

Acts like a dictator.

ADAM

But, He made us.

EVE

Or so he said.

ADAM

He calls us His children.

EVE

Makes ev'rything happen.

ADAM

I believe Him.

EVE

A sin's a sin.

ADAM

The miracles He makes.

EVE

Makes me pay for my mistakes.

ADAM

He leads the way.

EVE

And lights the day.

I must eat His forbidden fruit.  
And wait till I hear His  
repute.  
Why must he be so resolute?  
I'll tell Him it was a  
grapefruit.

ADAM

To me the Lord is the last word.  
He is the reason I am spurred.  
Not to obey Him is absurd.  
And Eve makes me feel like a nerd.

THEY finish eating the apple when suddenly THEY hear G-D.

G-D

(To Adam.)

Adam, hath thou eaten from the tree I  
commanded thee not to eat from?

ADAM

The woman thou put me here with, gave me  
some fruit and like a fool I ate it.

G-D

(To Eve.)

What is this thou hath done, Eve?

EVE

Dear Lord, the serpent, who I believed was  
the devil in disguise, deceived me and I ate  
thy forbidden fruit. Please forgive me for I  
have transgressed.

G-D

For this, the both of you shall be punished  
and you will no longer have eternal life and  
are banished from my Garden of Eden, for  
no man, let it be known, dies without sin!  
Now, leave for the outer world, and before  
for I shalt give thee the opportunity to  
multiply, thou shalt cover thy nakedness.

Thunder and lightning and, G-D is gone.

CUT: Some time later. It is a beautiful sun drenched day.

ADAM and EVE are lazing on a field. ADAM. BOTH are wearing goat loin cloths.  
EVE fidgets with HERS. Annoyed, EVE does not respond to ADAM.

ADAM

I've haven't heard so many birds sing  
since... isn't this the most beautiful day  
since we had to leave the Garden of Eden,  
which, was your fault Eve, but don't worry,  
(Laughs.)  
I won't tell anybody.

EVE

Oh, so it's my fault. Did I force you to eat  
that apple or did you want to eat too?

ADAM

I ate it, because you tempted me, you always  
tempt me sexy...

There is a pause.

ADAM (cont'd)

...Aren't you going to answer me? Still not  
talking, huh? Would you please tell me why  
you stopped talking to me, please, this  
silence is driving me crazy.

EVE fidgets with her loincloth.

EVE

Because I hate this! Why do we need this, this thing, can you tell me? It itches it itches!

ADAM

The Lord told us to cover our...

EVE

COVER OUR WHAT?

ADAM

You heard Him, cover our nakedness.

EVE

Nakedness, who cares about being naked, do you? I don't

ADAM

(Touches self.)

It is our private parts that the Lord does not want anyone to see.

EVE

It's just me-and-you, who's going to see us? And how come the Lord does not want anyone to see *your* private parts, not that it's such a big deal, and what does He have to do with *my* private parts, and why did you have to kill Willie, my little ewe goat?

ADAM

I killed it because the Lord asked me to cover our nakedness, remember, so I used my ingenuity and took Willie's pelt and used it to cover our nakedness. Smart, huh? Killed two birds, I mean one lamb, with one stone, smart huh?

EVE

You and your ego and you're not that smart  
you never were, because you killed my little  
Willie, which is not a bird, and you, call  
(Sobs. Touches loincloth.)  
yourself smart, why, so I could wear this,  
which I hate.

ADAM

I happen to think it looks great on you, and  
it's sort of a protective hindrance for me.

EVE

Protective hindrance, what kind of  
protective hindrance?

ADAM

(Sexy.)  
You remember what happened last night,  
don't you?

EVE

Sort of.

ADAM

SORT OF? You said you love DOING IT  
and you loved me. What kind of sort of?

EVE

It was the first time and I think I loved doing  
it, but that was last night, today, I'm not so  
sure and did I really say I loved IT? I must  
be crazy.

ADAM

What kind of last night, what kind of, you  
must be crazy? You were moaning and  
groaning, and screaming I LOVE IT, I  
LOVE IT ADAM, DON'T STOP DON'T  
STOP! What kind of last night?

EVE

Last night I think I liked it, but you were such an animal, you didn't stop touching me, me. and why were you kissing my...  
(Touches breasts.)  
what did you call them?

ADAM

Big, soft chests, you have such beautiful big, soft chests and I love them. I think I just became a big, soft chest man, can you imagine? Come here, let me...

EVE backs away from ADAM.

EVE

Oh no, you're not going to kiss my chest again, mister, you can forget it, because it's still sore.

ADAM

Why not, I thought you liked when I suckled your big, soft chest, why not?

EVE

I was faking it, that's why.

ADAM

Faking it, what does that mean?

EVE

Because you, you animal seemed to be having such a good time, I figured I'd make you think I was enjoying it too, so, I faked it...

ADAM

...You mean you didn't enjoy it?

EVE

I didn't say that, but you, you seemed to think it was the greatest thing that ever happened, it wasn't, the earth didn't stand still, and I'll tell you when it is the greatest thing that ever happened, I promise, not that I think it will ever happen.

ADAM

It was, it was and I want to do it again, I want to do it right now, I want to do it all the time, because it was the greatest thing that ever happened.

EVE

You can forget about doing it all the time and why were you sticking your big, fat tongue in my mouth, what was that all about? I mean you were slobbering all over me, disgusting.

ADAM

Disgusting? When I kissed you for the first time and when you opened your mouth, I didn't know what to do, so I opened my mouth and by accident, it was an accident you hear? I stuck my tongue in your mouth and what did you do? YOU, YES YOU stuck your tongue in my mouth and it felt so good, boy did it feel good, so we played tonguesies, didn't we? What's the big deal?

EVE

I'll tell you what's the big deal, I only stuck my tongue in your mouth because you did it to me and I didn't know what to do, so I did it back.

ADAM

Did you like it?

EVE

I suppose I did, except for you getting me all wet, like you were drooling big time.

ADAM

Want to do it again?

EVE

All right, a little tonguesy, but no big, soft chest and no drooling

THEY kiss and ADAM goes to kiss EVE'S breasts.

EVE

I said kiss!

ADAM

But, but.

EVE

You, know what you can do with your *but* and with your private part, you can stick it you know where.

CUT: Some time later. Night. No longer in the Garden of Eden, they are in a darkened cave. WE hear the underscoring of "FORBIDDEN FRUIT."

EVE

I hate it Adam, the outer world is not as beautiful as it was in the Garden of Eden.

ADAM

How could it be? Nothing will ever be as beautiful, for the Garden was idyllic, an oasis of beauty our Protector created for us alone and we are here, because we did not show gratitude for His benevolence, we are now being punished for eating of His forbidden fruit.

EVE

You call eating that stupid apple, forbidden fruit? That's ridiculous, I've eaten hundreds of apples and so have you.

ADAM

It is not that we ate an apple, but the forbidden fruit that came from His Tree of Knowledge.

EVE

Tree of Knowledge, Tree of Knowledge, I didn't know it was the Tree of Knowledge; to me they all look a like and I can't tell one tree from another, can you?

ADAM

Eve, my beloved, G-d the Eternal, the Almighty told us, do not eat from the tree that was in the center of His garden, but you, because you gave into your temptation and like a fool so did I, is the reason why we were banished forever

EVE

It's dark and I can't see a thing, can you? And are you telling me that I have to spend the rest of my life with you in this rat infested, vermin filled cesspool you call a cave?

ADAM

Is there someone else you'd like to spend the rest of your life with?

EVE

Don't act so smart, please, I told you you're not that smart and if I'm going to be stuck with a loser like you, I'm going back to the Garden of Eden where everything was beautiful.

ADAM

Have you forgotten? We are banished to the outer world forever, we can't go back.

EVE

I told you, it was that snake, who I think was Satan, it had to be the devil who was playing tricks on me that said, it was okay to eat that apple, because then I would become as smart as Him and see as G-d saw and be able to distinguish good from evil. And like a fool I believed him. Let Him banish the snake, that devil and leave me alone.

ADAM

Once again, you are deceiving yourself. You knew what you were doing was wrong, and so did I. It was sacrilegious to go against the Devine edict of our Lord, lead us not unto temptation, dear Lord, for we are all weak and sinners. And this darkness  
(Pleads and looks up.)  
dear Lord, is it so dark because I have sinned?

CUT: There is thunder and lightning and WE hear G-d speak.

G-D

Adam, the repentance of thy sin may be removed by praying, seeking forgiveness, fasting, and, bathing in the river for seven and forty days. Atonement is thine for the asking.

ADAM

I shall do all you ask of me my Savior...

EVE

...And so shalt I dear Lord, for I am to blame for Adam's transgression as well as my own, for it was of my doing, giving into my temptation, not his.

G-D

No man dies without sin of his own. And to help you ease the burden of your darkness, take two stone and strike them together and you will make fire, which will illumine your darkness, cook your food and help you sacrifice a burnt offering to me. Enough, with the fruits and vegetables already, I want some lamb and I'm sorry about your Willie, Eve

CUT: There is thunder and lightning and G-D is gone.

ADAM

Wait here, I shall get some twigs and wood and a few stones and with the good Lord's help we shall make fire.

EVE

Do you think it will work?

Underscoring ends.

ADAM

(Exits.)

Believe in the Lord and all is possible.

After a beat, ADAM returns with some twigs and wood, then searches for Two stones, and with EVE anxiously watching, strikes the stones together and after a few attempts a spark and then fire. Thrilled, THEY 🎶 Sing.

MESSIAH

ADAM

It is the miracle of the ages.  
It is given by, the King of l sages.  
At last the night is no longer dark.  
For, the Lord has given us the spark.

EVE

To think, that I ever doubted him.  
A fool committing the cardinal, sin.  
With a fire to illumine the night.  
I must keep the Lord within my sight.

ADAM and Eve

He is the Messiah.  
He just gave us fire.  
Believe and there shall be,  
Peace and serenity.

ADAM

And I bet the lamb will taste so good.  
I will get some salt and lots of wood.  
And then Eve and I will drink some wine.  
Both Eve and I will have a great time.

EVE

I guess The Lord's smarter than I thought.  
I'm grateful to be his cohort.  
Yet all in all I cannot complain.  
Even though that Adam drives me insane.

ADAM and EVE

He is the Messiah.  
He just gave us fire.  
Believe and there shall be,  
Peace and serenity.

ADAM

My beloved, what about a little wine to  
celebrate the miracle of fire that has just  
been given to us by the Lord our Savior?

EVE

You and your grapes.

ADAM

I promise, only tonguesy this time, no big,  
soft chest: I know they were sore.

EVE

All right, but just remember, you promised.

ADAM gives EVE a pouch of wine, SHE drinks and then HE drinks.

ADAM

Good, huh?

EVE

Not bad.

ADAM

Why don't you have a little more?

EVE

Why, because you're in the mood again?

ADAM

I'm always in the mood.

EVE

Don't I know it, come on let's drink some more wine and maybe the earth will stand still for a change?

THEY both drink.

EVE (cont'd)

A little tonguesy, anyone?

ADAM

I thought you'd never ask.

THEY kiss and HE brings EVE to the ground. The lights flicker to denote THEY have made love.

EVE

I don't want you to get a big head, but I think this time the earth stood still just a little.

ADAM

(Excited.)

Oh Eve, do you promise, do you promise?

EVE

No, I was just teasing. It was moving all over the place.

ADAM

You are just unbelievable. I was hoping that I finally made the earth stand still for you.

EVE

You have my beloved in more ways than one, and I don't know what it is, but I have this strange and wonderful feeling that something is...

ADAM

Something is what, go on, go on.

EVE

(Touches stomach.)

Something is going on in here. Sometimes I can feel it moving, it is something that I have never felt before.

ADAM

(Very excited.)

Oh Eve, do you remember when our Eternal Protector said, "*You shall multiply?*" You are pregnant my beloved. You shall be come a mother and I a father!

THEY 🎵 Sing.

DEAR LORD

EVE

Dear Lord, I am going to become a parent.  
I thank you for this wonderful present.  
For you have given me the miracle of life.  
And I am grateful to be Adam's wife.

ADAM

Dear Lord, what more could this man ever ask you for?  
Thank you for the wonder you have in store.  
You have given me this smile that cannot be erased.  
With a child the sweet life now I will taste.

EVE

I know that he will be the most wonderful  
son.  
We shall laugh and together there will be  
fun.  
I shall spend my life loving him until it  
hurts.  
And I will only feed him the best desserts.

ADAM

And I'm sure that he will look just like his  
father.  
And in time I will give him a brother.  
The two of them will become inseparable.  
So famous they will become a fable.

ADAM and EVE

Because, of you.  
I feel brand new.  
My dreams came true.  
Whoopity do.

EVE

I will never ask you for anything again.  
Because you have given me my best friend.  
The greatest gift in my life you have  
bestowed.  
And I smile because at last my heart glows.

ADAM

I think, that I am the luckiest man alive.  
It is because of You that I survive.  
Of you dear Lord there is nothing more I  
will ask.  
For beneath your love I will always bask.

ADAM and EVE

Because, of you.  
I feel brand new.  
My dreams came true.  
Whoopity do.

CUT: 25 years later. CAIN, has red hair and is brawny, is in his garden, which is overflowing with fruit and vegetables. HE is distressed because G-D has frowned upon his offering of fruits and vegetables, and loves His brother ABLE'S offering of lamb. HE wipes his brow, looks to the heavens and THEY  sing.) 5

### WHAT HAVE I DONE WRONG?

CAIN

I do not know why,  
You frown upon my sacrifices.  
Perhaps I should lie?  
And add to my many vices.

All I do is plant,  
I do not know how to tend sheep.  
There is much I can't,  
I am restless and I can't sleep.

What have I done wrong,  
And why was I born?  
Thy will must be done,  
But I'm not the one.

This anger inside,  
Alas my brother is to blame.  
I am filled with pride,  
And father never calls my name.

He leaves me no choice.  
Because He will never love me.  
I have raised my voice,  
G-d does not appreciate me.

What have I done wrong,  
And why was I born?  
Thy will must be done,  
But I'm not the one.

Distraught, CAIN mopes as ABLE, who is two-years younger and slight, is walking through the fields that CAIN has planted and is amazed at it's plentitude. Happy to see him, he greets his brother, who is not too thrilled.

ABLE

Cain, I don't believe it, you keep on getting better and better. Look at all these wonderful fruits and vegetables you have grown, my dear brother. I mean, some of them are enormous, look at these oranges

(Eats a strawberry.)

and these strawberries, this strawberry is delicious. The Lord has truly blessed you, I mean you are so gifted, I wish I could make things grow like you, but I can't. It seems you were given the green thumb and me, that's why father taught me how to tend to my animals. I'm jealous Cain, I am jealous.

CAIN

What are you talking about? You tend to sheep and cattle, I can't do that, remember, I tried, oh how I tried, but I just couldn't get it like you. That's why you're father's favorite, because you know how to raise livestock like him, I'm just a loser, at least that's what he calls me.

ABLE

I'd rather be mother's favorite, like you, because mothers are mothers and mothers kiss you losers all the time and all father does is give me orders. He doesn't give you orders, does he? Wish I was a loser like you, loser.

CAIN

That's because he's always with you. He thinks that planting is women's work, that's why mother works with me and father works with you, and don't you remember how disappointed father was, how annoyed he was when he had to take time off and teach me how to farm? He said I had to do something and farming was all he could think of.

(MORE)

CAIN (Cont'd)

Don't you remember when he said the Lord wants us to sacrifice lambs and goat and cows? He wants us to give him the best parts, the fattiest parts of each and all I do is sacrifice my fruits and vegetable, which the Lord our Savior frowns upon and you heard it too, didn't you?

ABLE

I'll give you my fattest lamb and goat and you shall offer them to our Savior as an offering and then He will like you as much  
(Smiles.)  
as me, maybe.

CAIN

What do you think He's stupid? He sees and knows everything that goes on, remember? He knows that I am nothing but a farmer, He laughs at me, He puts me down, you heard him, and you, He thinks you're such a big deal because you give him the fattest parts of your flock. Thanks Able, but it won't work.

ABLE

All I do is walk my flock and they eat grass and drink water. I do not make them fat, they do it of their own accord, I do nothing, but what you do is a miracle, a G-d given gift, for you make all these wonderful fruits and vegetables grow from Mother earth. Oh, how I wish I could trade places with you.

CAIN

What are you making such a big deal about, take some apples, take some figs, take whatever you want, and give them to Him, maybe he'll take them from you? Because, He won't take them from me.

ABLE

Only if you take some lamb and some meat. I have so much and no one to eat it and that was a good idea, I'll take some of your most delicious fruits and vegetables and offer them as a sacrifice, I bet it will work.

CAIN

Good luck and I haven't eaten all that meat you gave me last week, I don't need and I don't want anymore. I just want to be accepted by the Lord and I want Him to love me as you are.

ABLE

Am I lucky to have you as an older brother, because you are perfect Cain, just perfect.

CAIN

Are you sure you're talking about me, the big Loser?

ABLE

I wish I had the nerve to marry one of my sisters like you, but I don't, I just can't do it. Egyptus is just beautiful boy is she beautiful.

CAIN

Not as beautiful as Gigi and Sylvie.

ABLE

Gigi and Sylvie are also beautiful, why didn't you marry one of them, instead of Egyptus?

CAIN

Because Gigi was selfish, everything I grew she wanted for herself and Sylvie didn't stop talking, she never stopped talking. Now Egyptus, who is younger than the both of them, she's only 14, knows how to make a man feel like a man. (MORE)

CAIN (Cont'd)

Don't you want to feel like a man, Able? I mean, you're 22 years old and you haven't slept with one of our sisters yet, why, what's wrong with you, don't you want to have a good time like me?

ABLE

I can't have a good time with my sister. Maybe you can, but I can't. We're different, Cain, you have very little morals and I, I do what the Lord wants me to do.

CAIN

What are you saying Able, that you're better than me?

ABLE

I'm not better than you, perhaps just a little more morally spiritual. I feel it's a sin to sleep with our sisters and you don't. You know, talking about sins, you're very much like mother, the primordial sinner.

CAIN

Really?

ABLE

After G-d told her not to, she believed the snake, which she called the devil in disguise and ate the forbidden fruit from the tree of knowledge, and G-d banished her from the Garden of Eden forever, and I feel our sisters are also forbidden fruit, and one day you too will be banished.

CAIN

Do you really believe there was such a place as the Garden of Eden? And if there was a Garden of Eden, where is it? Did you see it?

(MORE)

CAIN (Cont'd)

I didn't see it and we both know places  
don't disappear just like that, and who am I  
supposed to sleep with, if not my sisters,  
you? Look around, there's no one else, but  
my sisters and thank G-d for them.

ABLE 🎵 sings.

HE JUST THINKS OF HIMSELF

ABLE

Cain,  
You are a birdbrain.  
And you are insane.  
Why don't you learn to abstain?

All he thinks about is his personal  
satisfaction.  
He just thinks of himself.  
And most of the time I am afraid of his  
reaction.  
All that man needs is help.

Doesn't understand that a sacrifice is meant  
to please G-d.  
He just thinks of himself.  
Soon as he learns to care then believing is  
not that hard.  
What that man needs is help.

Cain,  
You are a birdbrain.  
And you are insane.  
Why don't you learn to abstain?

There will come a time when the Lord will  
say thou hath done wrong.  
He just thinks of himself.  
I would show him what's wrong and what's  
right, but he's just too strong.  
All that man needs is help.

I believe that mother loves him because he  
too has sinned.  
He just thinks of himself.  
He's the kind of guy that never learns  
because he's thick-skinned.  
What that man needs is help.

Cain,  
You are a birdbrain.  
And you are insane.  
Why don't you learn to abstain?...  
So, are you going to do it, or what?

ABLE  
Do what, what are you talking about?

CAIN  
Get one of our sisters and have a good time  
like me, in fact, why don't we do it  
together? It will be fun.

ABLE starts to laugh. WE hear underscoring of, "HE JUST THINKS OF HIMSELF."

CAIN (cont'd)  
What are you laughing about, what's so  
funny?

ABLE  
(Can't control his laughter.)  
You, you're such an animal, I don't believe  
what you just said. I'm going to tell father  
and mother and I'm going to tell all our  
sisters, I'm sure they will find it just as  
funny as me and boy, are you funny.

CAIN  
I'm glad you think I'm so funny. Able,  
would you please come with me, I want to  
show you something.

ABLE  
Okay, but what do you want to show me.

CAIN

Something that will make you, laugh your  
head off even more.

ABLE

What's that?

CAIN

I grew a watermelon as big as a horse.

ABLE

(Laughs.)

You're kidding, as big as a horse?

CAIN

(Laughs.)

Bigger.

ABLE

Oh, I can't wait to see it and really laugh,  
let's go.

BOTH are laughing as they walk arm in arm. CAIN stops and ABLE continues walking ahead, because he is anxious to see the watermelon. CAIN picks up a huge rock, sneaks up on ABLE and hits Him on the head and kills Him. There is thunder and lightning as underscoring end. Triumphant CAIN places his foot on ABLE and  sing.

NOBODY LAUGHS AT ME

CAIN

(Laughs.)

Nobody laughs at me.

Nobody laughs at me.

Nobody laughs at me

He thought he was perfect.  
And claimed he was germ free,  
All he did was object.  
And never believed me.  
Laughed, gave me no respect.

Nobody laughs at me.  
Nobody laughs at me.  
Nobody laughs at me and gets away  
(Laughs.)  
with it!

I won't tell a soul that I killed him.  
And if they ask me I'll just act grim.  
I'll tell dad he disappeared from sight,  
And I pray that he will be all right.

He said I'm just like my mother,  
Committing the primordial sin.  
That's why I hated my brother.  
He couldn't let what could have been.

(Laughs.)  
Nobody laughs at me.  
Nobody laughs at me.  
Nobody laughs at me

He thought he was perfect.  
And claimed he was germ free,  
All he did was object.  
And never believed me.  
Laughed, gave me no respect.

Nobody laughs at me.  
Nobody laughs at me.  
Nobody laughs at me and gets away  
(Laughs.)  
with it!

Thunder and lightning and WE hear G-D.

G-D  
What has happened to your brother?

CAIN  
I don't know, am I my brother's keeper?

G-D

What have you done? Listen! Your brother's blood cries out to me from the ground. Now you are under a curse and driven from the ground, which opened its mouth to receive your brother's blood from your hand. When you work the ground, it will no longer yield its crops for you. You will be a restless wanderer on this earth and so will all of your children.

Back in time: Haran, Syria. ABRAM, 75 years old is walking in the Desert during the night. There is thunder and lightning and ABRAM is startled. We see G-D'S back. WE never see G-D'S face. Hundreds of birds sing throughout. 6

ABRAM

What's going on here, it was so peaceful and serene a moment ago. I never heard birds sing before; this is not the Garden of Eden, there are no birds in the desert. How did this happen?

G-D

I made it happen, my son, and when you hear my birds, which are a blessing I bestow on you alone, you will be given an unequalled strength.

ABRAM

Who, who are you? Where are you, why can I not see you?

G-D

I, am the Lord your G-d, whom you may never see, but only feel spiritually in your heart.

ABRAM

You are not my G-d, my G-d is Apsu, G-d of the underworld ocean, the begetter of the skies, father of Lahmu, and if you are my  
(Sarcastic.)  
G-d, where are you G-d, where are you?

G-D

I am everywhere, in the trees, the sky, the air  
you breathe, and I am in all and everything  
there is that lives...

ABRAM

If, you are everywhere and in everything,  
why can't I see you mister, why don't you  
show me your face?

Birds stop singing.

G-D

(G-D sings)

LOVE IS THE ANSWER

Look in thy heart and surely thou will see  
me,  
Take my warmth and thou will find serenity.  
Thou will be rewarded.  
For, I will record it.

Do unto others, thou must always believe.  
That the more thou give, the more thou shall  
receive.  
Always help thy brother.  
Thy father thy mother.

Love is the answer.  
With kindness, there shall be peace  
on Earth.  
For all thou art worth.  
Love is the answer.

I say to thee that heaven can be thine today.  
The helpless will stand tall. Just do what I  
say.  
Let kindness be thy guide.  
Humility, not false pride.

Thou art the chosen to lead my covenant  
people.  
Now lead and thou shall build a holy  
steeple.

Spirituality,  
Shall be thy reality.

Love is the answer.  
With kindness, there shall be peace  
on Earth.  
For all thou art worth.  
Love is the answer.

ABRAM

Hey, you can't fool me; my father's become rich, making G-ds, like Amun, Apis "The hidden one of sacred animals: Anubis, "The jackal G-d," Bastet, "The cat G-d," Horus, son of Osiris, "Goddess of the dead and the eternal," Neith, "Goddess of war and wisdom." These are G-ds, G-ds that you can touch, and you can feel them, and some, you can even smell. What kind of G-d are you, mister?

G-D

These are not G-ds but only false idols that have led you astray. Have you or any of your people ever known peace and serenity? Can your G-d Apsu do this!

Snow begins to fall.

ABRAM

(Surprised, picks up snow.)

What is this? It is so beautiful, but boy is it cold: In the desert this never happened before, I never saw this, this, what is this...?

G-D

It is a blessing I call snow. Now look to my heaven and what do you see?

A shooting star passes overhead.

ABRAM

It's a star on fire. Did you really do that? Come on, you didn't do that, I mean, what are you, who are you...?

G-D

...G-d, here I am your G-d and when you believe in your G-d, I will do many wonderful things that you will call miracles.

ABRAM

Oh yeah...? Lets see you make another miracle, if it's so easy, like...

G-D

Close your eyes, count to five and then open them.

ABRAM closes his eyes and miraculously the night becomes day and the Sun is shining. ABRAM opens eyes and stares in disbelief. 7

ABRAM

Oh my G-d, I don't believe it!

G-D

You must never take my name in vain.

ABRAM

The sun is shining and it is late at night. How'd you do that?

G-D

It's really very easy, when you are the Lord.

ABRAM

What may I call you, Mr. Lord?

G-D

Elohim, Adonoi, Hashem, and there are other names you will know, as long as you believe, I will always answer.

ABRAM

Suppose I believe you are really the only G-d, what do you want me to do? But don't make it too hard, because the other G-ds are real easy...

G-D

You mean false idols...

ABRAM

What ever just don't make it too hard,  
please.

G-D

Get yourself out of this country, leave your  
kindred and your father, the idol maker and  
his house and go to a land I will show you.  
Pray no longer to all those false G-ds,  
including Noah of my flood, who was not  
one of my covenant people

ABRAM

Covenant, what's a covenant?

G-D

Covenant is someone who believes, the  
chosen, my people and one day you will be  
their father, leader and you will multiply,  
and your children will fill this earth.

ABRAM

But I'm 75 years old, how can I multiply  
when I have no children. Sarai is...

G-D

...Infertile, and she is your paternal half-  
sister, which I frown upon, but I forgive  
you, because you are now my covenant, for  
you are a prophet.

ABRAM

How can I be a prophet? I'm not anything  
special, I'm just an ordinary guy who  
married his, I'm sorry to say, his paternal  
sister, because, Sarai was the most beautiful  
woman I ever met.

G-D

Just remember, I, Elohim, Adonoi, Hashem  
is your G-d, your only G-d and you will  
worship no other G-ds, for I am a jealous G-  
d, and I demand that you obey me, only me,  
because remember, I am jealous!

Thunder and lightning and G-d, disappears.

8

ABRAM

Wait, where are you going? I want to get to  
(🎤 sings.)  
know you... I think I have to.

G-D

Are thou really the only G-d above?  
Thou art different from all the rest.  
And all thou spoke about was love.  
I hope I pass the test.

Thou made me feel I'm just a grain of sand.  
We're all a part of one family.  
I hope I'm smart enough to understand.  
And please help me to see.

Elohim, Adonoi, Hashem,  
That is who thou art.  
The spirit who will set me free,  
And help me to be me.

How can giving mean I'll receive?  
When will I build a holy steeple?  
I feel I truly want to believe.  
What's a covenant people?

How can I look into my heart?  
When I can barely see past my nose.  
I bet he thinks that I'm really smart.  
What, does he think I know?

Elohim, Adonoi, Hashem,  
That is who thou art.  
The spirit who will set me free,  
And help me to be me.

CUT: Next Day. Tent. ABRAM is excited as he tries to convince SARAI. WE hear refrain of "LOVE IS THE ANSWER."

ABRAM

I'm telling you, my beloved Sarai, I actually met the real G-d, the Big Man himself and HE spoke to little old me. Can you believe it? He picked me to speak to, because I'm his covenant. Can you imagine? Suddenly I'm a covenant!

SARAI

Covenant, what's a covenant. Have you been drinking again, is that where you got your covenant from? Who ever heard of a covenant, what is it? You probably made it up, didn't you? And what are you making such a big deal about? I've met and you've met hundreds of G-ds, haven't we? Thanks to your father, they're all around us, and to tell you the truth, I wish he'd give them to someone else. Enough with his G-ds already, I mean, between you and me, and (Whispers. Hand up to chin.) shhh, don't tell anyone, but I've had it up to here with his G-ds. I mean, have they ever done anything for either of us, except take up room?

ABRAM

I feel the same way and don't shush me, I only took those idols out of respect.

Refrain ends. ABRAM walks around and smashes idols.

SARAI

Abram, what are you doing? Have you gone crazy? You just smashed Imsety, one of the four sons of Horus, and Khnum, who everyone worships, Menu-ka-mut-f, Goddess of love and femininity. Are you crazy? Aren't we cursed enough?

(MORE)

SARAI (Cont'd)  
YOU MUST STOP THIS LUNACY THIS  
INSTANT OR I WILL NOT SLEEP WITH  
YOU FOR A YEAR!  
NO, MAKE THAT FIVE YEARS, not that  
you care...

ABRAM and SARAI 🎵 sing.

TOGETHER

ABRAM

Does that mean you're not going to...?  
Oy, what am I going to do?  
I need you.

SARAI

I will not even hold your hand.  
To me you're only but a man.  
I can't stand.

ABRAM

You know you look cute when you're mad.  
But you're making me feel so sad.  
Are you glad?

SARAI

I thought that I once loved you so.  
But now, I, I really don't know.  
I should go.

ABRAM

I've loved you the first day I saw your face.  
Your smile means everything to me.  
Can't you see, how much I need you?

SARAI

You are the handsomest man, I have seen.  
Wiser, than all the Kings in the world.  
Can't you see how much I need you?

ABRAM and SARAI

(Arm in arm.)

I'll stay with you until the sun won't  
shine.

I promise that you'll always be mine.  
We'll be together for all time.

ABRAM

Sarai, you're everything to me.  
You're eyes are bluer than the sea.  
I love thee.

SARAI

To me you are the only one.  
Yet I never gave you a son.  
I love thee.

ABRAM

I've loved you the first day I saw your face.  
Your smile means everything to me.  
Can't you see, how much I need you?

SARAI

You are the handsomest man I have seen.  
Wiser, than all the Kings in the world.  
Can't you see how much I need you?

ABRAM and SARAI

(Arm in arm.)

I'll stay with you until the sun won't  
shine.

I promise that you'll always be mine.  
We'll be together for all time.

They kiss.

SARAI

You've been angry with me all these years,  
Abram, because I have not given you the  
son, that you wanted so badly.  
Unfortunately, I believe it is no longer  
possible, for now, I am 65 years old and you  
are 75.

(MORE)

SARAI (Cont'd)

I beg your forgiveness, my beloved husband,  
and is it my fault that Min, the  
G-ddess of love and femininity has not  
(Takes and caresses idol.)  
blessed me to bear you a son?

ABRAM

(Angry, grabs idol and smashes it.)  
This is what I think of your Min and your  
Tiamat, bearer of the skies and the Earth,  
mother of Lahma and the rest of your false  
Idols!

SARAI

(Afraid, sobs.)  
Abram, Abram, we will be cursed, we will  
live in hell for you have defamed our  
G-ds. Please Osiris, G-d of resurrection and  
eternal life, forgive my misguided husband  
for he knows not what he is doing. You're  
drunk again, aren't you and you smoked  
that, whatever you and your friends smoke.  
Leave this abode immediately and do not  
come back until you ask your father to give  
me back all the idols that you have so  
mercilessly destroyed! Have you forgotten,  
who will protect us from Satan, if not them?

HAGAR, maidservant enters and is shocked to see the mess.

HAGAR

Oh, Kishar, whole Erath and mother of Anu,  
what has happened here and befallen my  
Mistress Sarai and my Master Abram?

ABRAM

Hagar! You must never mention nor turn to  
Kishar or Erath, or any of those false G-ds  
and idols in my home again, or you will be  
banished forever.

HAGAR

Why Abram, why are you so distraught?  
What happened to all our beloved G-ds?  
Look, many are broken and scattered over  
all the earth.

ABRAM

Angry, starts to break the rest of the idols.

Many? How about all of them? There, are  
you satisfied, Hagar? Now, all of them are  
destroyed!

SARAI

I demand that you leave my home  
immediately and don't come back until you  
are able to replace everyone of my beloved  
G-ds! Now leave!

Disheartened, ABRAM exits. Stunned, HAGAR just stares

SARAI (Cont'd)

What are you looking at young lady, just  
what are you looking at? I am not paying  
you to stand around idly and stare, just  
because you are so beautiful and my lunatic  
husband is attracted to you and your  
voluptuous body.

HAGAR

Sarai, you are mistaken. Abram is not  
attracted to me, forgive me, but you are  
mistaken. Why, he barely ever looks or  
speaks to me.

SARAI

He looks at you with those eyes of longing  
that he used to look at me with. He may be  
75, and he never touches me any more, he  
says he tired, he's been tired for the last 20  
years, I know, I know what goes on in that  
warped mind of his... Now, clean up this  
mess and wash my clothes and prepare  
dinner. (MORE)

SARAI (Cont'd)

When I return, I shall tell you what else to  
do. Start cleaning, you tart! Start cleaning!

HAGAR is stunned as SARAI departs. HAGAR 🎵 sings.

HAGAR

HELP ME

What, does she want from me?  
Mut, mother of all Egypt.  
Will I ever be free?  
Before I'm in my crypt.

Sarai seems so bitter.  
Abram was very mad.  
No children, no litter,  
She always seems so sad.

Atum, G-d of all G-ds.  
In gloom, my life is hard.  
Maid-servant is my task.  
Help me, is all I ask.

Abram is misguided.  
He's filled with so much pain.  
This home is divided.  
And I'm going insane.

She thinks I want her man.  
But he is old and weak.  
I wish she'd understand.  
That all we do is speak.

Atum, G-d of all G-ds.  
In gloom, my life is hard.  
Maid-servant is my task.  
Help me, is all I ask.

CUT: EXT: That afternoon. Many men are listening to an excited ABRAM. We hear the refrain of "LOVE IS THE ANSWER."

ABRAM

...And I tell you that you all have been deceived, led astray in believing the stars are G-d. I personally love not those that set. And the moon: Unless it guides me, surely would go astray... That was and is still you my brethren, lost in the wilderness.

We hear murmurs of discord.

ABRAM (Cont'd)

...As the sun rises, I have heard you say, *"This is my Lord, this is the greatest of them all."* Oh my friends, I am indeed from your ascribing part to G-d. For me I have set my face and heart toward *Him*, who created the heavens and the earth, as a man of pure faith and one by nature upright, and I am not one of those who call himself a partner with his G-ds. I beseech you to throw away all your idols and believe in Elohim, Adonoi, and Hashem as the one and only G-d, and you will find peace and serenity, something I am sorry to say you know little of.

HOAB

How dare you deprecate our holy G-ds? Have you no respect? These are the G-ds of our forbearers.

MUNG

Where is this, whatever you call your G-d? I demand you show him to us! Here, here is  
(Shows idol.)  
Apis... You can see Apis can't you, well where is your Elohim? I demand you show him to me immediately! For we all know about your rhetoric, don't we Abram?

ANER

(Shows idol.)

...And here is Geb, the G-d of Earth, son of Shu and Tefnut...! Where is your G-d, Abram? Anyone see his Adoshem. Here (Holds hands as if feeding a dog and laughs.) Adoshem, come on boy, come to papa.

ESHCOL

(Shows idol.)

...Here is my G-d, Heqet! Can you not see him? Can you not feel him? Where is this G-d of yours? Show him to me, let me touch him, at least let me smell him!

ABRAM

You take idols that you call G-ds, that my father made for greed, avarice. Surely you and your people are in manifest deviation.

KOL

I believe Abram is calling us crazy.

MAMRE

It is he that is crazy in believing in an Adoshem as he calls him, that he can't produce.

(Laughs.)

Here, Adoshem, Adoshem, come to papa. Come on Adoshem, come to papa. Anyone see Adoshem?

ABRAM

You pray to your G-ds, idols made by MY FATHER. How ridiculous to think that my father has power to create G-ds. You pray to your misbegotten idols, to the Moon and all heavenly bodies, which cannot be G-d, because they set according to laws authored by Elohim, my G-d. Your worship is senseless and futile! Serve the G-d of all G-ds, the Lord of all Lords who has created the heavens and earth, the sea and all therein.

(MORE)

ABRAM (Cont'd)

The, G-d of Nimrah, and the G-d of Terah,  
the G-d of the East, the West, the South and  
the North.

Refrain ends.

HOAB

What suddenly made you believe in *your* G-  
d, Abram? Haven't we always drank and  
smoked as we prayed to our G-ds, the  
glorious sun, and Nimrod together?

ABRAM

Who is Nimrod, but a dog, who calls himself  
a G-d that worship be offered to him. The  
Eternal, He is G-d, The Eternal and although  
you cannot see Him, He is everywhere.  
Truth and belief and you will be rewarded  
beyond your wildest dreams. He is G-d.  
You have prayed to the sun: despite its size  
and light, also disappears from sight and  
therefore, I came to realize it was folly to  
worship created phenomena. I have set my  
face toward *HIM* who created the heavens  
and the earth, a man of pure faith, and I am  
not those who call themselves partners with  
G-d, for G-d has no partners. His will be  
done, not mine.

ANER

(Loud.)

WHOSE WILL BE DONE, WHOSE WILL  
BE DONE?

ABRAM

Perhaps one day you will find out, Aner? I  
(Exits.)  
bid you all peace and serenity, shalom.

ALL sing.

DON'T TELL US WHAT TO DO

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you,  
So, don't try and tell us what to do.

MAMRE

He may have gone to school.

MUNG

But he's stubborn as a mule.

ESHCOL

And more foolish than a fool.

HOAB

All he does is deceive.

ANER

Yet he wants us to believe.

KOL

While my poor heart, doth grieve.

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you,  
So, don't try and tell us what to do.

MAMRE

Doesn't he know it's June?

MUNG

That's why we pray to the moon.

ESHCOL

And that makes him a loon.

HOAB

I say we do him in.

ANER

And I say lets kill him.

KOL

I don't think it's a sin.

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you,  
So, don't try and tell us what to do.

CUT: EXT: One week later. ABRAM is walking aimlessly in the desert, talking to HIMSELF.

ABRAM

(To self, walking.)

I mean, I saw all those, what *HE* called miracles, and they were unbelievable, but, I don't know: I mean all I got from believing more in *HIM* and *HIS* miracles, than all of those *things*, those false idols that my father makes, and who secretly laughs behind the backs of all those fools who buy them, is grief. Sarai threw me out of my own tent, and my friends, who I've known for most of my life, and who I have drunk wine with and smoked that sacred herb, turned against me, when I told them how ridiculous it was to worship idols as G-ds, when there is only one true G-d. Who else could make it... I believe he called it snow in the middle of the desert? Who else could make a star with fire cross the heavens, just because He willed it? Hey, I heard *Him* say it was going to happen, remember? Who else could turn night to day, except Elohim, Adonoi, Hashem?

There is thunder and lightning and G-d appears.

G-D

How nice of you to remember my name,  
Abram.

ABRAM

How could I forget? And, am I glad to see you, I mean hear you and feel you in my heart and soul, but I sure wish I could see Your face, just one time, please, just let me see it one time.

G-D

I see there is something troubling you my son.

ABRAM

You have no idea...

G-D

I beg your pardon.

ABRAM

I mean, I know you know what's troubling me. You know everything, don't You?

G-D

Not only what is troubling you, my son.

ABRAM

Sarai, threw me...

G-D

...Out of your own tent, I know. She feels inadequate, because she did not give you a son, but one day she will.

ABRAM

(Laughs.)

Are You saying that a child shall be born to me, who is past 75, and Sarai who is 65? Now, I don't mean to be disrespectful, but at this stage in my life, I don't think I can, and Sarai definitely doesn't have any desire and to tell You the truth, neither do I.

G-D

When the sun crosses this point your wife  
shall be with child, when it crosses the next  
point she shall give birth to a child, my son,  
but first you must separate yourself  
completely, not just from your land, but  
from your birthplace, Ur in Mesopotamia,  
from your father's house to the land I will  
show you.

ABRAM

Really, I mean I was born here, and what  
kind of land are you talking about?

(G-D sings.)

A LAND

A land, where the sun will always  
shine.

A land, that will be yours for all  
time.

A land, where your people will heed  
my call.

A land, a land for one and all.

Children will dance and sing.  
You will pray ev'ryday.  
There will be everything.  
And you will find your way.

There will be figs galore,  
A sea for you to sail,  
And love forever more.  
For you will never fail.

A land, where the sun will always  
shine.

A land, that will be yours for all  
time.

A land, where your people will heed  
my call.

A land, a land for one and all.

Your time will surely come.  
People will multiply.  
Your heart warmed by the sun,  
And tears that you may cry.

One day there will be peace.  
All will all call your name.  
And you must never cease.  
For there is much to blame.

A land, where the sun will always  
shine.  
A land, that will be yours for all  
time.  
A land, where your people will heed  
my call.  
A land, a land for one and all.

ABRAM

And what about my friends...? Do you  
want me to forget them just like that?

G-D

They are not true friends if they associate  
with Babel, idolatry, superstition and  
heathenism. You must disassociate yourself  
from such people, places and things.

ABRAM

I know, I tried to tell them...

G-D

And to no avail, I know Abram, and your  
name one day I shall change.

ABRAM

You are going to change my name, why,  
what's wrong with my name?

G-D

Both yours and Sarai's and in due time you  
will know why.

ABRAM

Really, when?

G-D

In due time.

Thunder and lightning and G-D disappears.

ABRAM

Wait, please don't go, I have so much I want  
to ask You.

CUT: Two hours later. Almost euphoric, with some trepidation ABRAM enters 10  
tent and finds SARAI, Sitting and feeling remorseful, doesn't respond. WE hear refrain  
of "TOGETHER."

ABRAM

Hello Sarai... Sarai, I'm home, I had to see  
you, tell you the wonderful news... Don't  
you want to know the good tidings I bring?  
Sarai, please speak to me.

SARAI

Did your father make new idols for me?  
Well, did he?

ABRAM

I didn't even ask him.

SARAI

Then I'm not talking to you, Abram.

ABRAM

He said he's going to change my name and  
yours too.

SARAI

Who's going to change our names?

ABRAM

Elohim, Adonoi, Hashem...

SARAI

Who are they, and you may be my husband, for the moment that is, but that doesn't give you the right to give whoever they are the right to change my name! And until you bring back my G-ds, my personal G-ds, I must ask you to leave my home immediately. Please leave.

ABRAM

Don't you understand my beloved...? This was our home.

SARAI

You got that right; it was our home, and stop calling me your beloved. The way I feel right now I could, I could...

ABRAM

...Kill me? G-d would frown upon such an action, even the thought, especially since I'm his first and only covenant. Imagine that, I finally became a covenant.

SARAI

AGAIN WITH THE COVENANT, AGAIN WITH THE COVENANT? I'VE HAD UP TO HERE WITH YOU AND YOUR COVENANT. Please Apis, tell me what a covenant is before I lose my mind!

ABRAM

I believe a covenant, me, is someone who believes in Hashem with his whole heart, me. And let me tell you, I've never believed more and I will follow Him forever. Me, me, me.

SARAI

I'll give you me, and who is this Hashem? and don't tell me, Elohim and Adonoi.

ABRAM

Exactly.

SARAI

You mean you call all those phonies G-d? I mean give me a break, will you?

ABRAM

Sarai, why are you so angry with me, what did I do?

SARAI

(Emotional.)

If you really want to know, I will I tell you...I can't stand that everyone's been laughing at me behind my back. Is it my fault that I've been cursed, that I'm responsible for the extinction of your family? What family? Thanks to me you never had a family.

ABRAM

It's not your fault, honey and no one I know has been laughing at you, no one.

SARAI

Not even your G-d?

ABRAM

Elohim is compassionate and truly cares about everyone, especially you. In fact, he told me you are going to have my son.

SARAI

Do you expect me to believe such nonsense? I'm 80 years old, 80 years of utter and  
(Sobs.)  
debilitating infertility, Abram, and you know it.

ABRAM

Please don't cry, Sarai. Your tears are more than I can bear, for I truly love you... I've always loved you.

SARAI

If you love me so much as you say, then  
you'll do what I ask.

ABRAM

Anything, anything.

SARAI

Behold now, your supposed Adonoi, even  
my beloved G-ds has restrained me from  
bearing children: I pray you go in unto my  
handmaid Hagar, whom you have so  
desired, haven't you! It may be that I may  
obtain children by her. Before I die, ask  
your G-d, each of them to allow me to be  
called a mother.

ABRAM 🎵 sings.

ANYTHING YOU ASK I'LL DO

Anything you ask I'll do.  
For, you are my beloved.  
Anything you want I'll get,  
My pet, you I covet.

We've both grown old together.  
For better or for worse we vowed.  
Been told it will get better.  
To show my allegiance I bow.

For you are all I desire.  
You smile and I can touch the sky.  
Your lips set my soul afire.  
And when you cry, well so do I.

Anything you ask I'll do.  
For, you are my beloved.  
Anything you want I'll get,  
My pet, you I covet.

Believe and you will receive.  
More than you've ever dreamed.  
Love, you will no longer grieve.  
This is what my Lord hath deemed.

Anything you ask I'll do.  
For, you are my beloved.  
Anything you want I'll get,  
My pet, you I covet.

SARAI walks away and ♪ sings.

YOU ONCE WERE

I'm old and I'm tired.  
I have no desire  
It's time I retire.  
For, I've lost my fire.

For eternity  
You said you'd love me.  
But now I can see,  
He doesn't need me.

I feel so forlorn,  
And why was I born?  
Sad, that's why I mourn,  
I'll just move along.

You once were everything.  
My summer, and my spring.  
You touched my heart and my soul,  
And now we're very old,  
And you don't care, any more about me.

Said he'd always care,  
But, he's never there,  
I just cannot bear,  
I'm losing my hair.

He wants me to hate,  
Ra is that my fate?  
He may be my mate,  
But he'll have to wait.

For better or worse,  
I could use a nurse.  
Yet, why do I curse?  
It's time for my hearse.

You once were everything.  
My summer, and my spring.  
You touched my heart and my soul,  
And now we're very old,  
And you don't care, any more about me.

HAGAR enters.

SARAI

Speaking of the Devil, I was just talking  
about you, Hagar.

HAGAR

You were, have I done something wrong,  
Mistress?

SARAI

On the contrary, a woman as beautiful as  
you could never do anything wrong, isn't  
that right, Abram?

ABRAM

If you say so, SARAI.

SARAI

Come Hagar; let's take a walk. There's  
something I'd like to ask you.

CUT: EXT: The next day. Night: Walking, ABRAM meets all his friends. THEY are chanting as they drink wine and smoke, they are holding idols and praying. THEY stop and make sarcastic remarks, trying to hurt and dissuade ABRAM from disbelieving their G-ds, because how can they be wrong? WE hear refrain of "WE SHALL BE SAVED."

MUNG

Well, look who's here, if it's not the non-  
believer himself. How the hell are you Mr.  
Non-Believer?

MAMRE

(Sarcastic, laughs.)

Hey Abram, how's your Elohim doing?

HOAB

Talk to your Adonoi lately? Seen any miracles you want to tell us about?

KOL

(Laughs.)

I think he called his G-d HaShem too, didn't you Abram? Didn't you call Him HaShem?

ANER

Now that's a name for you, don't you think fellas? HaShem, what a dumb name.

ESHCOL

First time I ever heard of a G-d that had so many names. He must be pretty special, to have all those names, wouldn't you say, fellas? It was four names, wasn't it, yeah, I

(Laughs.)

think his G-d had four weird names

ABRAM

You must never take the Lord's name in vain!

HOAB

Why, what's your Adonoi gonna do, kill me? Yeah, lets see Him kill me. Hey fellas, don't you want to see his G-d kill me?

HOAB is suddenly stricken and falls to the Earth clutching his throat and barely screams. ALL will panic.

HOAB (Cont'd)

HELP ME, I CANNOT BREATHE, I CANNOT B-R-E-A-T-H-E!

ANER

Something has happened to Hoab.

MAMRE

He looks like he's dying!

MUNG

Open his mouth, he cannot breath! I think  
he's dying!

Concerned, THEY surround him. Suddenly WE hear birds begin to sing as ABRAM touches HOAB and he miraculously recovers.

HOAB

For a moment I felt like I was dying and you touched me and I was saved. I don't know what you did Abram, but thank you. Thank you, thank you, my friend.

ABRAM

Thank Elohim, I did nothing, for He is my Lord, who makes all miracles, I asked Him to help you, my friend Hoab, and as you see, He did. I am merely His trusted servant. Adonoi creates all miracles.

MAMRE

Why, don't you ask your Adonoi to show us one of His miracles, Abram, I haven't seen a miracle in years, have you Aner? And if you desire Abram to deliver yourself from the fire of Nimrod, bow down before him, get down on your knees and believe in NIMROD!

ABRAM

May the Eternal rebuke thee, vile, contemptible, accursed blasphemer!

ANER

Ya know, I could go for a miracle right now, Abram. What say fellas?

ALL

(Chanting.)

We want a miracle, we want a miracle, we want a miracle, we want a miracle, we want a miracle!

Suddenly more birds, hundreds sing loudly. MUNG, MAMRE and ESHCOL bow down to ABRAM.

ABRAM

Do not bow down before me, but before G-d, the Master of the Universe who has created the heavens and all of us. Serve Him and walk in His ways, for it was He who delivered me from the flames and it was He who has created the soul and the spirit of every human being who formed man in the womb of his mother and was brought into the world. He saves from all sickness, those who trust and believe Him.

KOL

I don't know about you, but I'm convinced, because Abram just made all those birds sing, and we didn't even see them! There  
Raises idols and is about to throw them away.  
are no birds in the desert, how did he do it?

ABRAM

It is not I, only G-d can make a miracle.  
Trusting in the Lord is the miracle.

KOL

Anyone want Amun and Aten...? No  
(Throws idols away.)  
one...? Alright, here goes...

MAMRE

Hey, you just saw what happened, Abram made all those birds sing, and I never heard that before, I mean, is that a miracle or is that a miracle?

MOAB

And didn't Abram just save my life? I don't know about you guys, but Abram, I believe in Abram, don't you? Abram believes in Elohim and you know what that means, we better start believing in Him.

ESHCOL

Tell you the truth, Atem, Atum, Anuket and  
all the rest never made birds sing for me,  
and Abram just saved Moab's life and you  
guys saw it, didn't you? I'm getting rid of  
these useless idols and I'm going to do what  
Abram says. I'm going to believe in his  
G-d...

ABRAM

It is not what I say, for I am only his trusted  
servant and do only what he bids. He wants  
all of his covenant to obey, for He is the  
truth. Forget about His miracles and believe  
in...

KOL

If we believe in Adonoi, is that what we  
become, His covenant?

ABRAM

All who believe are part of His covenant.

ALL

Hip, hip for the Covenant.

ANER

Abram, my brother, my fellow covenanter,  
please forgive me for ridiculing you, for not  
believing, that these idols are merely man  
made, nothing, utter garbage and not your  
G-d of miracles as you have decreed and as  
we now truly believe in your Elohim.

Refrain ends. ALL 🎵 sing.

WE WILL BE SAVED

We have been led astray.  
But, we have found the truth.  
We have believed in clay.  
Idols are so uncouth.

We know with Adonoi,  
We will love one and all.  
With G-d there will be joy,  
Adonoi we will call.

We are saved.  
There will be peace on earth.  
For all we are worth,  
We will be saved.

ABRAM

Until ye all have heard,  
That there is just one G-d.  
Come let us spread the word,  
That life shall not be hard.

ALL

Suddenly there is hope.  
War is a thing of the past.  
We have untied the rope.  
Our sins we shall cast.

We are saved.  
There will be peace on earth.  
For all we are worth,  
We will be saved.

MOAB

I speak for all of us, we believe in...

ALL

Elohim, Adonoi, HaShem!

ABRAM

There's one more, the King of Kings.

ESCHOL

Where'd that come from?

ABRAM smiles.

ALL

Elohim, Adonoi, HaShem, the King of  
Kings!

KOL

We believe in the King of Kings, the one and only G-d and we are pleased to become his devoted covenant and we shall follow you Abram to OUR new Promised land, for you believe in G-d and we believe in you and that is our miracle.

CUT: Next Day. Tent. ABRAM is excited as he tries to convince SARAI. WE hear refrain of "LOVE IS THE ANSWER."

ABRAM

I'm telling you, my beloved Sarai, I actually met the real G-d, the Big Man himself and HE spoke to little old me. Can you believe it? He picked me to speak to, because I'm his covenant. Can you imagine? Suddenly I'm a covenant!

SARAI

Covenant, what's a covenant. Have you been drinking again, is that where you got  
(Whispers. )  
your covenant from? Who ever heard of a covenant, what is it? You probably made it up, didn't you? And what are you making such a big deal about? I've met and you've met hundreds of G-ds, haven't we? Thanks to your father, they're all around us, and to tell you the truth, I wish he'd give them to someone else. Enough with his G-ds already, I mean, between you and me, and shhh, don't tell anyone, but I've had it up to here with his G-ds. I mean, have they ever  
(Hand up to chin.)  
done anything for either of us, except take up room?

ABRAM

I feel the same way and don't shush me, I only took those idols out of respect.

Refrain ends. ABRAM walks around and smashes idols.

SARAI

Abram, what are you doing? Have you gone crazy? You just smashed Imsety, one of the four sons of Horus, and Khnum, who everyone worships, Menu-ka-mut-f, Goddess of love and femininity. Are you crazy? Aren't we cursed enough? YOU MUST STOP THIS LUNACY THIS INSTANT OR I WILL NOT SLEEP WITH YOU FOR A YEAR!  
NO, MAKE THAT FIVE YEARS, not that you care...

ABRAM and SARAI 🎵 sing.

TOGETHER

ABRAM

Does that mean you're not going to...?  
Oy, what am I going to do?  
I need you.

SARAI

I will not even hold your hand.  
To me you're only but a man.  
I can't stand.

ABRAM

You know you look cute when you're mad.  
But you're making me feel so sad.  
Are you glad?

SARAI

I thought that I once loved you so.  
But now, I, I really don't know.  
I should go.

ABRAM

I've loved you the first day I saw your face.  
Your smile means everything to me.  
Can't you see, how much I need you?

SARAI

You are the handsomest man, I have seen.  
Wiser, than all the Kings in the world.  
Can't you see how much I need you?

ABRAM and SARAI

(Arm in arm.)

I'll stay with you until the sun won't  
shine.  
I promise that you'll always be mine.  
We'll be together for all time.

ABRAM

Sarai, you're everything to me.  
You're eyes are bluer than the sea.  
I love thee.

SARAI

To me you are the only one.  
Yet I never gave you a son.  
I love thee.

ABRAM

I've loved you the first day I saw your face.  
Your smile means everything to me.  
Can't you see, how much I need you?

SARAI

You are the handsomest man I have seen.  
Wiser, than all the Kings in the world.  
Can't you see how much I need you?

ABRAM and SARAI

(Arm in arm.)

I'll stay with you until the sun won't  
shine.  
I promise that you'll always be mine.  
We'll be together for all time.

They kiss.

SARAI

You've been angry with me all these years, Abram, because I have not given you the son, that you wanted so badly. Unfortunately, I believe it is no longer possible, for now, I am 65 years old and you are 75. I beg your forgiveness, my beloved  
(Takes and caresses idol.)  
husband, and is it my fault that Min, the Goddess of love and femininity has not blessed me to bear you a son?

ABRAM

(Angry, grabs idol and smashes it.)  
This is what I think of your Min and your Tiamat, bearer of the skies and the Earth, mother of Lahma and the rest of your false Idols!

SARAI

(Afraid, sobs.)  
Abram, Abram, we will be cursed, we will live in hell for you have defamed our G-ds. Please Osiris, G-d of resurrection and eternal life, forgive my misguided husband for he knows not what he is doing. You're drunk again, aren't you and you smoked that, whatever you and your friends smoke. Leave this abode immediately and do not come back until you ask your father to give me back all the idols that you have so mercilessly destroyed! Have you forgotten, who will protect us from Satan, if not them?

HAGAR, maidservant enters and is shocked to see the mess.

HAGAR

Oh, Kishar, whole Erath and mother of Anu, what has happened here and befallen my Mistress Sarai and my Master Abram?

ABRAM

Hagar! You must never mention nor turn to Kishar or Erath, or any of those false G-ds and idols in my home again, or you will be banished forever.

HAGAR

Why Abram, why are you so distraught? What happened to all our beloved G-ds? Look, many are broken and scattered over all the earth.

ABRAM

Many? How about all of them? There, are (Angry, starts to break the rest of the idols.) you satisfied, Hagar? Now, all of them are destroyed!

SARAI

I demand that you leave my home immediately and don't come back until you are able to replace everyone of my beloved G-ds! Now leave!

Disheartened, ABRAM exits. Stunned, HAGAR just stares.

SARAI (Cont'd)

What are you looking at young lady, just what are you looking at? I am not paying you to stand around idly and stare, just because you are so beautiful and my lunatic husband is attracted to you and your voluptuous body.

HAGAR

Sarai, you are mistaken. Abram is not attracted to me, forgive me, but you are mistaken. Why, he barely ever looks or speaks to me.

SARAI

He looks at you with those eyes of longing  
that he used to look at me with. He may be  
75, and he never touches me any more, he  
says he tired, he's been tired for the last 20  
years, I know, I know what goes on in that  
warped mind of his... Now, clean up this  
mess and wash my clothes and prepare  
dinner. When I return, I shall tell you what  
else to do. Start cleaning, you tart! Start  
cleaning!

HAGAR is stunned as SARAI departs. HAGAR ♫ sing.

HELP ME

HAGAR

What, does she want from me?  
Mut, mother of all Egypt.  
Will I ever be free?  
Before I'm in my crypt.

Sarai seems so bitter.  
Abram was very mad.  
No children, no litter,  
She always seems so sad.

Atum, G-d of all G-ds.  
In gloom, my life is hard.  
Maid-servant is my task.  
Help me, is all I ask.

Abram is misguided.  
He's filled with so much pain.  
This home is divided.  
And I'm going insane.

She thinks I want her man.  
But he is old and weak.  
I wish she'd understand.  
That all we do is speak.

Atum, G-d of all G-ds.  
In gloom, my life is hard.  
Maid-servant is my task.  
Help me, is all I ask.

CUT: EXT: That afternoon. Many men are listening to an excited ABRAM. We hear the refrain of "LOVE IS THE ANSWER."

ABRAM

...And I tell you that you all have been  
deceived, led astray in believing the stars are  
G-d. I personally love not those that set.  
And the moon: Unless it guides me, surely  
would go astray... That was and is still you  
my brethren, lost in the wilderness.

We hear murmurs of discord.

ABRAM (Cont'd)

...As the sun rises, I have heard you say,  
*"This is my Lord, this is the greatest of them  
all."* Oh my friends, I am indeed from your  
ascribing part to G-d. For me I have set my  
face and heart toward *Him*, who created the  
heavens and the earth, as a man of pure faith  
and one by nature upright, and I am not one  
of those who call himself a partner with his  
G-ds. I beseech you to throw away all your  
idols and believe in Elohim, Adonoi, and  
Hashem as the one and only G-d, and you  
will find peace and serenity, something I am  
sorry to say you know little of.

HOAB

How dare you deprecate our holy G-ds?  
Have you no respect? These are the G-ds of  
our forbearers.

MUNG

Where is this, whatever you call your G-d?  
I demand you show him to us! Here, here is  
(Shows idol.)

Apis... You can see Apis can't you, well  
where is your Elohim? I demand you show  
him to me immediately! For we all know  
about your rhetoric, don't we Abram?

ANER

(Shows idol.)

...And here is Geb, the G-d of Earth, son of  
Shu and Tefnut...! Where is your G-d,  
(Holds hands as if feeding a dog and laughs.)  
Abram? Anyone see his Adoshem. Here  
Adoshem, come on boy, come to papa.

ESHCOL

(Shows idol.)

...Here is my G-d, Heqet! Can you not see  
him? Can you not feel him? Where is this  
G-d of yours? Show him to me, let me  
touch him, at least let me smell him!

ABRAM

You take idols that you call G-ds, that my  
father made for greed, avarice. Surely you  
and your people are in manifest deviation.

KOL

I believe Abram is calling us crazy.

MAMRE

It is he that is crazy in believing in an  
Adoshem as he calls him, that he can't  
produce.

(Laughs.)

Here, Adoshem, Adoshem, come to papa.  
Come on Adoshem, come to papa. Anyone  
see Adoshem?

## ABRAM

You pray to your G-ds, idols made by MY FATHER. How ridiculous to think that my father has power to create G-ds. You pray to your misbegotten idols, to the Moon and all heavenly bodies, which cannot be G-d, because they set according to laws authored by Elohim, my G-d. Your worship is senseless and futile! Serve the G-d of all G-ds, the Lord of all Lords who has created the heavens and earth, the sea and all therein. The, G-d of Nimrah, and the G-d of Terah, the G-d of the East, the West, the South and the North.

(Refrain ends.)

## HOAB

What suddenly made you believe in *your* G-d, Abram? Haven't we always drank and smoked as we prayed to our G-ds, the glorious sun, and Nimrod together?

## ABRAM

Who is Nimrod, but a dog, who calls himself a G-d that worship be offered to him. The Eternal, He is G-d, The Eternal and although you cannot see Him, He is everywhere. Truth and belief and you will be rewarded beyond your wildest dreams. He is G-d. You have prayed to the sun: despite its size and light, also disappears from sight and therefore, I came to realize it was folly to worship created phenomena. I have set my face toward *HIM* who created the heavens and the earth, a man of pure faith, and I am not those who call themselves partners with G-d, for G-d has no partners. His will be done, not mine.

ANER

(Loud.)

WHOSE WILL BE DONE, WHOSE WILL  
BE DONE?

ABRAM

(Exits.)

Perhaps one day you will find out, Aner? I  
bid you all peace and serenity, shalom.

(ALL 🎵 sing.)

DON'T TELL US WHAT TO DO

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you,  
So, don't try and tell us what to do.

MAMRE

He may have gone to school.

MUNG

But he's stubborn as a mule.

ESHCOL

And more foolish than a fool.

HOAB

All he does is deceive.

ANER

Yet he wants us to believe.

KOL

While my poor heart, doth grieve.

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you  
So, don't try and tell us what to do.

MAMRE

Doesn't he know it's June?

MUNG

That's why we pray to the moon.

ESHCOL

And that makes him a loon.

HOAB

I say we do him in.

ANER

And I say lets kill him.

KOL

I don't think it's a sin.

ALL

Abram, you're nothing but a bum.  
Who never learned to have some fun.  
And we don't really like you  
So, don't try and tell us what to do.

One week later. ABRAM is walking aimlessly in the desert, talking to HIMSELF.

ABRAM

(To self, walking.)

I mean, I saw all those, what *HE* called miracles, and they were unbelievable, but, I don't know: I mean all I got from believing more in *HIM* and *HIS* miracles, than all of those *things*, those false idols that my father makes, and who secretly laughs behind the backs of all those fools who buy them, is grief. Sarai threw me out of my own tent, and my friends, who I've known for most of my life, and who I have drank wine with and

(MORE)

ABRAM (Cont'd)

smoked that sacred herb, turned against me,  
when I told them how ridiculous it was to  
worship idols as G-ds, when there is only  
one true G-d. Who else could make it... I  
believe he called it snow in the middle of the  
desert? Who else could make a star with  
fire cross the heavens, just because He  
willed it? Hey, I heard *Him* say it was going  
to happen, remember? Who else could turn  
night to day, except Elohim, Adonoi,  
Hashem?

There is thunder and lightning and G-d appears.

G-D

How nice of you to remember my name,  
Abram.

ABRAM

How could I forget? And, am I glad to see  
you, I mean hear you and feel you in my  
heart and soul, but I sure wish I could see  
Your face, just one time, please, just let me  
see it one time.

G-D

I see there is something troubling you my  
son.

ABRAM

You have no idea...

G-D

I beg your pardon.

ABRAM

I mean, I know you know what's troubling  
me. You know everything, don't You?

G-D

Not only what is troubling you, my son.

ABRAM

Sarai, threw me...

G-D

...Out of your own tent, I know. She feels inadequate, because she did not give you a son, but one day she will.

ABRAM

(Laughs.)

Are You saying that a child shall be born to me, who is past 75, and Sarai who is 65? Now, I don't mean to be disrespectful, but at this stage in my life, I don't think I can, and Sarai definitely doesn't have any desire and to tell You the truth, neither do I.

G-D

When the sun crosses this point your wife shall be with child, when it crosses the next point she shall give birth to a child, my son, but first you must separate yourself completely, not just from your land, but from your birthplace, Ur in Mesopotamia, from your father's house to the land I will show you.

ABRAM

Really, I mean I was born here, and what kind of land are you talking about?

(G-D 🎵 sings.)

A LAND

A land, where the sun will always shine.

A land, that will be yours for all time.

A land, where your people will heed my call.

A land, a land for one and all.  
Children will dance and sing.

You will pray ev'ryday.  
There will be everything.  
And you will find your way.

There will be figs galore,  
A sea for you to sail,  
And love forever more.  
For you will never fail.

A land, where the sun will always  
shine.  
A land, that will be yours for all  
time.  
A land, where your people will  
heed my call.  
A land, a land for one and all.  
Children will dance and sing.

Your time will surely come.  
People will multiply.  
Your heart warmed by the sun,  
And tears that you may cry.

One day there will be peace.  
All will all call your name.  
And you must never cease.  
For there is much to blame.

A land, where the sun will always  
shine.  
A land, that will be yours for all  
time.  
A land, where your people will  
heed my call.  
A land, a land for one and all.  
Children will dance and sing.

#### ABRAM

And what about my friends...? Do you  
want me to forget them just like that?

G-D

They are not true friends if they associate with Babel, idolatry, superstition and heathenism. You must disassociate yourself from such people, places and things.

ABRAM

I know, I tried to tell them...

G-D

And to no avail, I know Abram, and your name one day I shall change.

ABRAM

You are going to change my name, why, what's wrong with my name?

G-D

Both yours and Sarai's and in due time you will know why.

ABRAM

Really, when?

G-D

In due time.

(Thunder and lightning and G-D disappears.)

ABRAM

Wait, please don't go, I have so much I want to ask You.

Two hours later. Almost euphoric, with some trepidation ABRAM enters tent and finds SARAI, Sitting and feeling remorseful, doesn't Respond. WE hear refrain of "TOGETHER."

ABRAM

Hello Sarai... Sarai, I'm home, I had to see you, tell you the wonderful news... Don't you want to know the good tidings I bring? Sarai, please speak to me.

SARAI

Did your father make new idols for me?  
Well, did he?

ABRAM

I didn't even ask him.

SARAI

Then I'm not talking to you, Abram.

ABRAM

He said he's going to change my name and  
yours too.

SARAI

Who's going to change our names?

ABRAM

Elohim, Adonoi, Hashem...

SARAI

Who are they, and you may be my husband,  
for the moment that is, but that doesn't give  
you the right to give whoever they are the  
right to change my name! And until you  
bring back my G-ds, my personal G-ds, I  
must ask you to leave my home  
immediately. Please leave.

ABRAM

Don't you understand my beloved...? This  
was our home.

SARAI

You got that right; it was our home, and stop  
calling me your beloved. The way I feel  
right now I could, I could...

ABRAM

...Kill me? G-d would frown upon such an  
action, even the thought, especially since  
I'm his first and only covenant. Imagine  
that, I finally became a covenant.

SARAI

AGAIN WITH THE COVENANT, AGAIN WITH THE COVENANT? I'VE HAD UP TO HERE WITH YOU AND YOUR COVENANT. Please Apis, tell me what a covenant is before I lose my mind!

ABRAM

I believe a covenant, me, is someone who believes in Hashem with his whole heart, me. And let me tell you, I've never believed more and I will follow Him forever. Me, me, me.

SARAI

I'll give you me, and who is this Hashem? and don't tell me, Elohim and Adonoi.

ABRAM

Exactly.

SARAI

You mean you call all those phonies G-d? I mean give me a break, will you?

ABRAM

Sarai, why are you so angry with me, what did I do?

SARAI

(Emotional.)

If you really want to know, I will I tell you...I can't stand that everyone's been laughing at me behind my back. Is it my fault that I've been cursed, that I'm responsible for the extinction of your family? What family? Thanks to me you never had a family.

ABRAM

It's not your fault, honey and no one I know has been laughing at you, no one.

SARAI

Not even your G-d?

ABRAM

Elohim is compassionate and truly cares about everyone, especially you. In fact, he told me you are going to have my son.

SARAI

Do you expect me to believe such nonsense?

(Sobs.)

I'm 80 years old, 80 years of utter and debilitating infertility, Abram, and you know it.

ABRAM

Please don't cry, Sarai. Your tears are more than I can bear, for I truly love you... I've always loved you.

SARAI

If you love me so much as you say, then you'll do what I ask.

ABRAM

Anything, anything.

SARAI

Behold now, your supposed Adonoi, even my beloved G-ds has restrained me from bearing children: I pray you go in unto my handmaid Hagar, whom you have so desired, haven't you! It may be that I may obtain children by her. Before I die, ask your G-d, each of them to allow me to be called a mother.

(ABRAM 🎵 sings.)

ANYTHING YOU ASK I'LL DO

Anything you ask I'll do.

For, you are my beloved.

Anything you want I'll get,

My pet, you I covet.

We've both grown old together.  
For better or for worse we vowed.  
Been told it will get better.  
To show my allegiance I bow.

For you are all I desire.  
You smile and I can touch the sky.  
Your lips set my soul afire.  
And when you cry, well so do I.

Anything you ask I'll do.  
For, you are my beloved.  
Anything you want I'll get,  
My pet, you I covet.

Believe and you will receive.  
More than you've ever dreamed.  
Love, you will no longer grieve.  
This is what my Lord hath deemed.

Anything you ask I'll do.  
For, you are my beloved.  
Anything you want I'll get,  
My pet, you I covet.

SARAI walks away and ♪ sings.

#### YOU ONCE WERE

I'm old and I'm tired.  
I have no desire  
It's time I retire.  
For, I've lost my fire.

For eternity  
You said you'd love me.  
But now I can see,  
He doesn't need me.

I feel so forlorn,  
And why was I born?  
Sad, that's why I mourn,  
I'll just move along.

You once were everything.  
My summer, and my spring.  
You touched my heart and my soul,  
And now we're very old,  
And you don't care, any more about  
me.

Said he'd always care,  
But, he's never there,  
I just cannot bear,  
I'm losing my hair.

He wants me to hate,  
Ra is that my fate?  
He may be my mate,  
But he'll have to wait.

For better or worse,  
I could use a nurse.  
Yet, why do I curse?  
It's time for my hearse.

You once were everything.  
My summer, and my spring.  
You touched my heart and my soul,  
And now we're very old,  
And you don't care, any more about  
me.

HAGAR enters.

SARAI

Speaking of the Devil, I was just talking  
about you, Hagar.

HAGAR

You were, have I done something wrong,  
Mistress?

SARAI

On the contrary, a woman as beautiful as  
you could never do anything wrong, isn't  
that right, Abram?

ABRAM

If you say so, SARAI.

SARAI

Come Hagar; let's take a walk. There's something I'd like to ask you.

The next day. Night: Walking, ABRAM meets all his friends. THEY are chanting as they drink wine and smoke, they are holding idols and praying. THEY stop and make sarcastic remarks, trying to hurt and dissuade ABRAM from disbelieving their G-ds, because how can they be wrong? WE hear refrain of "WE SHALL BE SAVED."

MUNG

Well, look who's here, if it's not the non-believer himself. How the hell are you Mr. Non-Believer?

MAMRE

(Sarcastic, laughs.)

Hey Abram, how's your Elohim doing?

HOAB

Talk to your Adonoi lately? Seen any miracles you want to tell us about?

KOL

I think he called his G-d HaShem too, didn't  
(Laughs.)  
you Abram? Didn't you call Him HaShem?

ANER

Now that's a name for you, don't you think fellas? HaShem, what a dumb name.

ESHCOL

(Laughs.)

First time I ever heard of a G-d that had so many names. He must be pretty special, to have all those names, wouldn't you say, fellas? It was four names, wasn't it, yeah, I think his G-d had four weird names

ABRAM

You must never take the Lord's name in vain!

HOAB

Why, what's your Adonoi gonna do, kill me? Yeah, lets see Him kill me. Hey fellas, don't you want to see his G-d kill me?

(HOAB is suddenly stricken and falls to the Earth clutching his throat and barely screams. ALL will panic.)

HOAB (Cont'd)

HELP ME, I CANNOT BREATHE, I CANNOT B-R-E-A-T-H-E!

ANER

Something has happened to Hoab.

MAMRE

He looks like he's dying!

MUNG

Open his mouth, he cannot breath! I think he's dying!

(Concerned, THEY surround him. Suddenly WE hear birds begin to sing as ABRAM touches HOAB and he miraculously recovers.)

HOAB

For a moment I felt like I was dying and you touched me and I was saved. I don't know what you did Abram, but thank you. Thank you, thank you, my friend.

ABRAM

Thank Elohim, I did nothing, for He is my Lord, who makes all miracles, I asked Him to help you, my friend Hoab, and as you see, He did. I am merely His trusted servant. Adonoi creates all miracles.

MAMRE

Why, don't you ask your Adonoi to show us one of His miracles, Abram, I haven't seen a miracle in years, have you Aner? And if you desire Abram to deliver yourself from the fire of Nimrod, bow down before him, get down on your knees and believe in NIMROD!

ABRAM

May the Eternal rebuke thee, vile, contemptible, accursed blasphemer!

ANER

Ya know, I could go for a miracle right now, Abram. What say fellas?

ALL

(Chanting.)

We want a miracle, we want a miracle, we want a miracle, we want a miracle, we want a miracle!

(Suddenly more birds, hundreds sing loudly. MUNG, MAMRE and ESHCOL bow down to ABRAM.)

ABRAM

Do not bow down before me, but before G-d, the Master of the Universe who has created the heavens and all of us. Serve Him and walk in His ways, for it was He who delivered me from the flames and it was He who has created the soul and the spirit of every human being who formed man in the womb of his mother and was brought into the world. He saves from all sickness, those who trust and believe Him.

KOL

(Raises idols and is about to throw them away.)

I don't know about you, but I'm convinced, because Abram just made all those birds sing, and we didn't even see them! There are no birds in the desert, how did he do it?

ABRAM

It is not I, only G-d can make a miracle. Trusting in the Lord is the miracle.

KOL

Anyone want Amun and Aten...? No  
(Throws idols away.)  
one...? All right, here goes...

MAMRE

Hey, you just saw what happened, Abram made all those birds sing, and I never heard that before, I mean, is that a miracle or is that a miracle?

MOAB

And didn't Abram just save my life? I don't know about you guys, but Abram, I believe in Abram, don't you? Abram believes in Elohim and you know what that means, we better start believing in Him.

ESHCOL

Tell you the truth, Atem, Atum, Anuket and all the rest never made birds sing for me, and Abram just saved Moab's life and you guys saw it, didn't you? I'm getting rid of these useless idols and I'm going to do what Abram says. I'm going to believe in his G-d...

ABRAM

It is not what I say, for I am only his trusted servant and do only what he bids. He wants all of his covenant to obey, for He is the truth. Forget about His miracles and believe in...

KOL

If we believe in Adonoi, is that what we become, His covenant?

ABRAM

All who believe are part of His, covenant.

ALL

Hip, hip for the Covenant.

ANER

Abram, my brother, my fellow covenanter, please forgive me for ridiculing you, for not believing, that these idols are merely man made, nothing, utter garbage and not your G-d of miracles as you have decreed and as we now truly believe in your Elohim.

Some time later. Tent. HAGAR is very pregnant. To SARAI'S consternation, ABRAM pays too much attention to HAGAR. WE hear refrain of "HELP ME."

ABRAM

Look how beautiful Hagar looks, Sarai.  
Doesn't she look beautiful? Adonoi is kind,

ABRAM

Sarai please, Hagar is in her ninth month.  
She has a hard time walking, much less  
working. Please, be a little bit considerate.  
Compassion is a virtue, my beloved.

SARAI

Sure, you slept with here a 100 times until  
you impregnated her and you still can't wipe  
that stupid grin off your ugly face, and you  
have the audacity, the unmitigated gall to  
call me your beloved? You love her, don't  
you? And don't think I don't know it. You

don't you? And you wanted her, you've  
wanted her since the day you saw her, and  
you enjoyed her, like you once enjoyed me,  
didn't you?

ABRAM

Despite the fact that G-d willed that I shall have a nation, and as you know, His will be done: He knows all these years you have felt unfulfilled, unrequited, less than the woman you are, and to me you have always been more than I deserve: perfect, the ideal woman and I could ask for no more. Dearest, throughout the ages, many women have asked their handmaiden to do their bearing and it has been widely accepted that the children born belonged to the mistress. You should thank Adonoi, for soon you will have the chance to be the mother you always wanted to be, and it has be decreed that you will be the mother of all mothers. I know that to be true.

SARAI

And did your Adonoi also will that you fall in love with her?

ABRAM

I do not love her as I love you, and He has said that you too will bare me a son, our son.

SARAI

My wrong be upon you: I have given my maid into your bosom: the Lord judge between me, and you. It breaks my heart that you love her more than you do me and it's my fault.

HAGAR

Why do you think your husband loves me? He merely impregnated me to make you feel whole, to give you the serenity that you so long for, to make you feel as a woman, and as a mother. Have you not cried that you want to be called Mama? I heard with my own ears and because of my compassion and allegiance to you, I agreed to your beckoning.

SARAI

If that's the case, get out, you slut, and don't return until you give me my son!  
That's right, my son, not your son! Now, be off!

Crying, HAGAR runs out. SARAI ♪ sings.)

AM I ASKING SO MUCH?

SARAI

Let her go!

She has stolen my husband's love from me.  
All I know,

reverie.

Satan's curse,  
May she sleep and dwell in the Devil's bed.  
In her hearse,  
Lord I pray that the tramp soon will be dead.

Am I asking so much?  
She ruined my life.  
But I'm to blame,  
I made her his wife.

I can't look at my face.  
I hate what I've done.  
I hate the human race,  
And I hate the sun?

I can't breathe,  
It seems jealousy is eating my soul.  
What I need  
Is my beloved husband to warm this cold.

Was a time,  
When I was the only thing that mattered.  
Now he's blind,  
And now that is why my whole world's  
shattered.

Am I asking so much?  
She ruined my life.

Seven years later. Night: The Desert. Happy, ABRAM is walking in the desert.  
Suddenly night becomes day. WE Hear refrain of "LOVE IS THE ANSWER."

ABRAM

Elohim...? Am I glad to see You, I mean  
hear You, I mean, You know what I mean.

G-D

How, did you know it was I, my son?

ABRAM

You are the only one I know that makes miracles, I mean, who else can turn night into day, make stars with fire, make it as You say, snow in the desert?

G-D

It was really nothing and I see you are quite pleased.

ABRAM

Thanks to You my Lord, we just celebrated our son Ishmael's seventh birthday and thanks to Your benevolence, I am truly blessed and could not be happier.

G-D

Nor I, for you are the first true believer, who has brought many to my covenant. In time, your nation will grow into the multiples and you will become the father of my people. Your name will be a holy name, revered and cherished by many religions forever.

ABRAM

I am humbled by Your belief in me, my dear Lord, but I don't deserve it, for I am nothing but a humble man, Your trusted servant, who is in need and seeks Your guidance.

G-D

Because you are the first monotheist and believer in your Elohim, who is your G-d, your only G-d, I change your name to Abraham, the father of the Chosen, My people.

ABRAHAM

Abraham huh? And You said I am the father of the Chosen, Your people; a nation, how many people and what kind of nation are You talking about?

G-D

When you come to the Promised Land, you and your people will multiply and reach the far corners of this earth. They will become great doctors and lawyers and artists and preachers: Great scientists and leaders of the free world, respected, and admired by one and all. Your people, your nation, and my covenant will one-day help rule this glorious planet that I alone have created in six days. On the seventh day, the Sabbath, I rested and so shall you and all your children.

ABRAHAM

In six days You created the Earth, wow, and on the seventh day You rested and so shall we? I think I like that. Now, that's a miracle, and what about my name?

G-D

Hence, I shall call you Abraham to demonstrate that I, your one and only G-d, has the power to even rename his initial disciple: you, my beloved son, Abraham, the father of my people, the Chosen.

ABRAHAM

I don't mind being called Abraham, in fact I think I like it, yeah, Abraham. Wait'll I tell Sarai, Ishmael, Hagar they have to call me Abraham... I wonder what Sarai will think?

G-D

Her name, I too shall change.

ABRAHAM

Er, I don't know about changing Sarai's name, I mean she hasn't been too thrilled lately.

G-D

She is discontent because, in her heart she still does not accept Ishmael as her own son, and she resents that you have taken Hagar as your wife and all the attention you have given to her; that the life of your sexual instincts cannot be tamed nor altered is a man-made character defect, and how you cherish and adore Ishmael, this too disheartens her. Try to understand, that since Adam and Eve, who were a culmination of your G-ds creativity, unfortunately, the human being is both savage and divine, both animal and angel, both heaven and earth, and I forgive and love you all, despite your character defects, for I have decreed, that Sarah shall bear your son.

ABRAHAM

Wait a minute and I don't mean to be disrespectful: I mean You are the one and only  
G-d, my G-d, King of Kings, because I've seen Your miracles, remember? I think we went through this once before, but shall a child be born unto him that is a 100 years old and Sarai who is 90?

G-D

You mean Sarah, the mother of my Covenant, my Chosen people, your glorious nation, *Sarah* it shall be...

ABRAHAM

...All right, you can call her Sarah, but I don't think she'll be able to...

G-D

...Bear your son. She will and you will call him Isaac.

Refrain ends. ABRAHAM  sings.

SARAH

(Angrily holding up idols.)

Hagar! What is this I found hidden in the  
wash? What is this?

HAGAR

It is Harpocrates, the son of Isis and Osiris,  
Sarai. I, meant no harm, please forgive me.

SARAH

Harpocrates, Harpocrates, what did I tell you  
13 year ago about bringing your forbidden  
G-ds into my home and why do you still call  
me Sarai? Is it because you disrespect the  
King of Kings, my Lord, well is it?

ABRAHAM

Sarah, please, what do you care what she calls you? Does it really matter? She and Ishmael have been with us so long. Does it really matter? They are part of our family.

SARAH

Your bastard son, Ishmael and his whore mother are a part of your illegitimate family, not mine!

Two days later. Night: ABRAHAM is walking in the desert. HE sees a shooting star and knows. 14

ABRAHAM

Adonoi, is that Thou Adonoi?

(There is thunder and lightning and G-d appears.)

G-D

It is none other my son and I like what thou hath called me, Adonoi. Adonoi, yes, I like the way it sounds, gorgeous. Say it again, let me hear thou say it again.

ABRAHAM

Adonoi, Adonoi, Adonoi and thanks, I'm glad Thou like it, that's what I've been calling Thee and I'm glad Thou like it.

G-D

Things of such a benevolent nature only come to prophets.

ABRAHAM

Are Thou calling me a prophet? I'm not a prophet I'm just an ordinary guy, like Mamre and Eshcol and all the other guys.

G-D

I speak only to thee and all those I speak to will forever be called prophets.

ABRAHAM

Gee, I was never called a prophet before, not even by my, mother. I don't know how to thank Thee.

G-D

Perhaps there is a way? I am the Almighty G-d: walk before me, and be perfect, and I will make my covenant between me, and thee I will multiply thy seed accordingly.

ABRAHAM

I hate to say this, but I don't know what Thou meaneth by making me a covenant? You said it before and I told Sarah and she also didn't know what it means.

G-D

What it means is this: Thou shalt circumcise the flesh of thy foreskin, and that shalt be a sign of the covenant between Me and thee.

ABRAHAM

(Clutches self in desperation.)

I hope Thou don't meaneth what I think Thou meaneth?

G-D

Throughout the generation every male among you shall be circumcised at eight days.

ABRAHAM

That lets me out and am I glad. Whew, am I glad.

G-D

As for the home born slave and one bought from an outsider who is not of thy offspring, Thou and they must be circumcised.

ABRAHAM

Oh no, not me, please not me. Thou just said it has to be done when they're eight days old. It's too late, isn't it? It's too late for me. I'm an old man, a 100-years old. Thou don't want an old man like me to do it, do Thou? And I bet it's really going to hurt.

G-D

And if any male, Abraham, who, is not uncircumcised fails to be circumcised, that person shall be cut off from me, his King, for he has broken my covenant so, take heed.

ABRAHAM, with trepidation sings as he holds self and 🎺 sings.

BOO HOO

ABRAHAM

He wants me too,  
But I don't want to,  
But I have to...  
Boo hoo, boo hoo, boo hoo.

I know he's heaven sent,  
He's Elohim.  
It's in His covenant?  
Did I ask him?

I know it's gonna hurt.  
I'm gonna cry.  
I'll turn into dirt,  
Then I will die.

He wants me too,  
But I don't want to,  
But I have to...  
Boo hoo, boo hoo, boo hoo.

Said I was a prophet.

Called him Adonoi.  
I wish he would stop it.  
Oh boy oh boy.

I do what he asks me.  
He knows what is best.  
But why doesn't he see?  
I might fail his test.

He wants me too,  
But I don't want to,  
But I have to...  
Boo hoo, boo hoo, boo hoo.

Night. ABRAHAM, sort of limping and holding himself meets his friends, who are drinking wine and smoking. WE hear birds sing.

ESHCOL

Doth my eyes deceive me. Can it be  
Abraham, whom we have not seen since he  
found his...?

ALL

...Elohim, Adonoi, HaShem!

ANER

(Hands jug of wine to Abraham.)  
Just in time. Here is a taste of some  
delicious wine my father has just squeezed.

ESHCOL

It's really good...

MOAB

(Because he is high, slurs.)  
I love it, don't you, fellas?

ALL

WE LOVE IT WE LOVE IT!

MUNG

I personally prefer the sacred weed, for I do  
not get a hangover as I do from the grape.  
My wife frowns when I get a hangover, for

she rarely imbibes as I do. And, I don't understand why she does not drink? I drink everyday, morning, noon, and night.

KOL

(Laughs.)

And my fat wife doesn't stop, she drinks everyday, more than I do.

ALL laugh.

MUNG

That is why I prefer to smoke, hangovers give me a headache.

ALL laugh.

ANER

Forgive my asking, Abraham, but why are you walking like that? What be it your problem?

MOAB

And why are you holding yourself like that? You're not 13, remember?

Again ALL laugh.

KOL

13? He's 100 years old, and, if you had two wives, especially one as beautiful as Hagar, and being a 100 years or not, you'd hold your... too.

ALL laugh.

MAMRE

Want to tell us about it, my covenanter?

MUNG

Only the good parts, I only want to hear the good parts.

Again ALL laugh.

MOAB

We are waiting for the good parts, Abraham.  
Would you not tell us, your brethren why  
you hold yourself?

Birds sound louder.

ABRAHAM

Well, I'm holding myself, because I have  
this pain, but it is a wonderful pain: a pain  
that our G-d, your Elohim has given me,  
because at last I am his true covenant.

ESHCOL

Are you saying that Elohim gives pain to his  
covenant? I thought he only made miracles,  
now pain is a whole other thing. Tell you  
the truth, I really don't go for pain, and if  
there's pain, I don't know about being in His  
covenant anymore, do you fellas?

KOL

Well if pain's involved, I'm out. No pain  
for Kol, no way and forget about his  
covenant, I pass.

ALL

FORGET ABOUT HIS COVENANT!

MAMRE

Want to tell us about your pain, Abraham?

ABRAHAM

You must believe in the Lord that is the gift,  
for when you believe all is possible. I  
believe in G-d and that is my strength. He  
said I had to be circumcised.

Birds stop singing.

ALL

(Taken aback.)  
CIRCUMCISED!

MOAB

Covenant or no covenant, I'm not getting  
circumcised, no way...!

ANER

...Especially at my age, and what about my  
wife? What's she going to do...?

MAMRE

...My wife likes it just the way it is... She  
calls it her cutie.

KOL

...And what happens if they cut off too  
much...?

ESHCOL

...What are you worried about too much  
for...?

KOL

...Because my little piggy is not that big to  
begin with... But don't tell anybody.

MUNG

(Laughs.)

(Loud, announces, laughing.)

I didn't know you had a little piggy. Now  
hear this, Kol has a little piggy, I mean a

(Spread fingers and laughs.)

tiny little piggy! Poor boy, it's not even this  
big.

Refrain ends. ALL laugh and  sing.

KOL HAS A LITTLE ONE

MUNG (Cont'd)

Kol has a little one,

(Spreads fingers.)

It's not even this big.

ESHCOL

Kol has a little one,  
And he calls it his pig.

MOAB

Kol has a little one,  
I pity his poor wife.

MAMRE

Kol has a little one,  
Now it's gonna face the knife.

ANER

Kol has a little one,  
That's what he just told me.

ALL

Kol has a little one,  
Which, we all want to see.  
(ALL laugh.)  
And now, it's going to be even  
smaller.  
I think that it's a joke.  
Just take it like a man and stand up  
taller  
And then just have a smoke.

MUNG

Kol has a little one,  
But shhh don't say a word.

ESHCOL

Kol has a little one,  
And I think that it's absurd.

MOAB

Kol has a little one,  
And to think I never knew.

MAMRE

Kol has a little one,  
And he don't know what to do.

ANER

Kol has a little one,  
And now we know that we are blessed.

ALL

Kol has a little one,  
Which, we all want to see.

(ALL laugh.)

And now, it's going to be even  
smaller.

I think that it's a joke.

Just take it like a man and stand up  
taller

And then just have a smoke.

ESHCOL

So, are you going to tell us what really made  
you do it? I mean we got rid of our idols  
and we're brethren, aren't we?

ABRAHAM

Except for Mung, he still has his Seti...

MUNG

How do you know?

ABRAHAM

I have been told.

MUNG

Well, when I told my wife about those  
miracles, she said it was black magic,  
orchestrated by none other than Satan  
himself. So, I got to thinking and... now  
with getting circumcised, who else would do  
such a horrible thing to man, if not the devil.  
Do you have any idea how much it's going  
to hurt, big time? Think about it, when you

stub your toe or you bang your hand, how  
does it feel?

ALL

It hurts it hurts.

MUNG

Well, think how bad it's going to hurt when  
you get circumcised?

MOAB

Oh, I really don't want to do it, and I don't  
know anyone that knows how to... do you?  
Who did it, Abraham, who circumcised you?

Birds begin to sing.

ABRAHAM

I did it myself.

ESHCOL

YOU DID IT YOURSELF? What are you a  
sadist? How could you do it yourself?

ALL

HOW COULD YOU?

ABRAHAM

The Lord said, and don't quote me, I should  
circumcise my foreskin and there'll be a  
covenant between, me-and-Him. I think he  
was testing me, because he knew how bad I  
wanted to be in his covenant, anyway, I tried  
to talk myself out of it, I mean I really tried,  
but He said I had to do it, no doubt about it,  
so I did it. And don't make such a big deal  
about it? It hurt for about two or three days,  
and now, it's subsiding. Tomorrow, I bet I

won't even feel it, and you said, your wife called it cute, didn't you Mamre? Now she'll say it's beautiful. Personally, I love the way it looks, gorgeous, just gorgeous.

ABRAHAM is walking and there is Thunder and lightning and G-d Appears. WE hear refrain of "A LAND."

ABRAHAM

I know it is You Adonoi; it has to be my Adonoi.

G-D

Here I am, and there's no fooling you my son, and I love the name Adonoi, I just love it.

ABRAHAM

So, what can I do for You Adonoi, what kind of test are You going to put me through today, and I'm sure it won't be as hard as that circumcision. Now, that was a test, okay, let me have it.

G-D

My ways are above yours, Abraham. This shall test thy endurance and true belief in being my covenant. What I shall ask you will test you beyond all human pain and suffering, but I must know and believe you will be the father of my people.

ABRAHAM

Are *You* sure *You* want me to be the father of Your people, when I have a hard being the father of Ishmael and Isaac?

G-D

I want you to give up what is most precious to you.

ABRAHAM

Try me Lord, and put me to the test. I will do whatever You ask, for Your will and not mine be done.

G-D

I want you to sacrifice your beloved son, Isaac.

ABRAHAM is stunned and heart stricken. There is a long pause.

ABRAHAM

WHAT? I cannot believe that You want me to kill my son Isaac, who I love more than life?

G-D

Now, tell me who do you believe in? Do you believe in Me, the one that gave you your son, or do you believe in myths, ideas that you had prior to becoming my covenant, and prophet to the masses for time and anon?

ABRAHAM

I have waited all these years for this blessed son of promise, who You alone have chosen to walk on this earth that You have created. What have I done to bring this wrath of  
(Cries.)  
my beloved G-d upon me? Why, why, why dear Lord Adonoi are you doing this to me?

(MORE)

ABRAHAM (Cont'd)

(Falls to the earth.)

Why are you torturing me? Lord, G-d, Adonoi, Hashem! Please heed your trusted servant in this moment of anguish and turmoil and have pity on me. Why take this innocent child's life in sacrifice? This child born to Sarah and me in old age - this child of but few years - this beautiful child born of a miracle out of our shriveled, withered old

bones - this longed-for promised child. I am not like the pagans who sacrifice their children, babies and lambs to their pagan Gods. Please have mercy on me. I beseech You.

G-D

The Lord, your G-d, Adoshem, Elohim, The Holy of Holies has spoken.

ABRAHAM

I pray to You, Lord G-d Adonoi and may my prayers please You, that You would take my life this moment, and please spare my beloved son! Isaac is Your Promised child, and the love and hope of this beleaguered soul, who bears within him the seed of your Promised Chosen People. And  
(Cries.)

please G-d, spare this beautiful child Isaac, Your beloved – please take the life of this worn out decrepit old man who is of little value and means nothing! Lord, have mercy, have mercy on Your son, my boy Isaac.

G-D

Do as I have told you my son! Take Isaac, and go to Mount Moriah, and there build an altar to me. And when the altar is built, pile it high with wood, and bind Isaac, and when he is bound, slay him in sacrifice, like a bullock, and lay him on the altar. When he is laid upright on the altar, light a fire and sacrifice him unto me as a holocaust.

ABRAHAM

Please G-d, do not do this to me. If You take my son from my bosom, take me, for I

cannot, nor do I want to live without my  
beloved son, Isaac.

G-D

You must do as I say, for I am, Adonoi,  
Elohim, Hashem, King of all Kings, the  
Lord Almighty, your G-d the Messiah who  
you must heed!

Refrain ends.

Thunder and lightning and G-D disappears. There is a long pause for ABRAHAM is  
saddened. With tears in his eyes, ABRAHAM 🎵 sings.

TAKE ME INSTEAD

ABRAHAM

My life has now come to the end.  
Isaac I must sacrifice.  
The Lord who I called my best friend.  
Has now turned my blood to ice.

I wanted to see my son grow,  
Into a man, who prays to G-d.  
And now Abraham doesn't know,  
Why life has become so hard.

Take me, take me instead.  
I can't, can't take this pain.  
Wish I, wish I were dead,  
Lord, please let it rain.

Please, please bury me.  
In the deep, in the deep blue sea  
I can, I cannot live.  
For I cannot breathe.

He, is who I must now believe.  
Hashem always knows what's best.  
Alas, it is I who will grieve,  
As I lay my son to rest.

Take me, take me instead.  
I can't, can't take this pain.  
Wish I, wish I were dead,  
Lord, please let it rain.

Please, please bury me.  
In the deep, in the deep blue sea  
I can, I cannot live.  
For I cannot breathe.

A week later. The Desert: Distraught, ABRAHAM is speaking to ISAAC. Two slaves are accompanying them as they are walking. WE hear refrain of "G-D."

ISAAC

Where are we going father and why was  
mother crying with such passion?

ABRAHAM

Your mother was crying, because she did  
not want to see you go. You know how  
much she loves you, and she always fears  
( sings.)  
for your safety, as do I.

I CRY

I cry, because I am going to lose my  
beloved son.  
I cry, because to me you are the only  
one.  
I cry, because I do not want to live  
another day.  
I cry, I cry, I cry, because I want to  
die.

Everyday I heard you laugh, my heart would  
sing.  
You are my everything, that's why my heart  
would sing.

And when I saw you run across the fields of  
grass.

What more could I ask, than watch you run  
through fields of grass.

I asked Adonoi if He could not take me  
instead?

I wish I were dead, and that He'd take me  
instead.

I cry, because I am going to lose my  
beloved son.

I cry, because to me you are the only  
one.

I cry, because I do not want to live  
another day.

I cry, I cry, I cry, because I want to  
die.

Your mother, I pray that she will not lose  
her mind.

Perhaps she may go blind then she will lose  
her mind.

A father loves his son more than he loves  
himself.

I need help; I love you more than I love  
myself.

I must believe that the Good Lord knows  
what is best.

The Sabbath I must rest, for He knows what  
is best.

I cry, because I am going to lose my  
beloved son.

I cry, because to me you are the only  
one.

I cry, because I do not want to live  
another day.

I cry, I cry, I cry, because I want to  
die.

ISAAC

But why are you crying, father?

ABRAHAM

I cry for all the people that are suffering.  
People we do not know but who like us are  
also G-d's children.

ISAAC

Only you my beloved father have such  
compassion for the needy. Do you not offer  
food to those hungry travelers? Do you not  
offer a bed for those who are in need of rest?

ABRAHAM

Because we are the covenant, we must  
always help the unfortunate.

ISAAC

Is that why we are going to the mountain, to  
make our offering to pray for the  
unfortunate? To thank Hashem for all He  
has blessed us with, for is not the King of  
Kings always with us, and is He not our  
Savior and protector?

ABRAHAM

(Very emotional, looks into Isaac's eyes.)  
Yes He is my beloved son, yes he is... Isaac,  
I don't know if I told you, but I love you  
(Kisses Isaac for a beat.)  
more than life itself. You are the son, the  
blessing I have always dreamed of, and here  
I am, an old man, thanks to you, living his  
dream.

ISAAC

Father, you tell me, and more than tell me,  
you show me your love for me all the time  
and I am grateful, overwhelmed by thy  
multitude of love for me. You are truly a  
father who the Lord has blessed me with and  
I am grateful. I love you father more than I  
can say, and I will try, with the Lord's help

to grow up in your image. Please dear Lord;  
allow me to walk in the footsteps of my holy  
father.

THEY both embrace and stop before a mountain. ABRAHAM speaks to one of his  
slaves.

ABRAHAM

Eliezer, stay here the boy and I go up the  
mountain. We will worship, make an  
offering and then, G-d willing we shall  
return.

THEY walk off and ABRAHAM gathers wood and gives it to ISAAC.  
ABRAHAM builds an altar, and arranges the wood on it and starts a fire.

ISAAC

Father, we have the fire and the wood, but  
where is the lamb for the burnt offering?

ABRAHAM

G-d will provide the lamb for the burnt  
offering, my son.

Thunder and lightning. ABRAHAM cries as he ties up ISAAC.

ISAAC

Father, what are you doing? Why are you  
tying me up?

ABRAHAM

We too, are all condemned sinners and  
deserve the Lord's judgment. Now is the  
time to ask Hashem for His forgiveness,  
Isaac. Pray as you have never prayed  
before, my son.

Emotional and uncertain, ISAAC looks up and  sings.

I HAVE SINNED

ISAAC

Forgive me Blessed Elohim I have sinned.  
I have gone astray,

Along the beaten path,  
Guess I deserve your wrath, for I have  
sinned.

Your son cannot be perfect, but he tries.  
Much to my despair,  
Despite you're always there,  
You are the reason this humble man cries.

No matter how hard I try I fail.  
It, seems I'm never satisfied.  
And after I turn to you I wail.  
Because I'm filled with such false  
pride.

My, father who speaks of you with such  
love.  
You are all he ever needs.  
And when he ever bleeds,  
He turns to you Dear G-d up above.

And promises that, you are always there.  
To, comfort a broken soul.

To warm us when we get cold.  
And heal us when we are filled with despair.

No matter how hard I try I fail.  
It, seems I'm never satisfied.  
And after I turn to you I wail.  
Because I'm filled with such false  
pride.

ABRAHAM places ISAAC on the altar, takes out a knife and is about to slay him, when he hears and angel's voice.

ANGEL (VO)

Abraham, Abraham here I am! Do not lay a  
hand on the boy, do not do anything to him.  
Now I know that you fear G-d, because you  
have not withheld from me your son, your  
only son.

ABRAHAM looks up and in the thicket he sees a ram caught by its horns. HE goes over and takes the ram, and sacrifices it as a burnt offering.

ABRAHAM

I offer this ram as a burnt offering to Thee  
my Lord, and I say, believeth and the Lord  
will provide.

ABRAHAM unties ISAAC, they embrace, SARAH appears, THEY all embrace and they  
🎵 sing.

DON'T FORGET ADONOI

ABRAHAM

The Lord giveth and He taketh.

SARAH

And, the bread that I maketh.

ISAAC

He blesseth for His saketh.
